## Ideas on How to Start the Conversation

“I’d really like it if we could talk about your driving”

“I know how important driving is to you, but I’m worried about your safety as well as the safety of others”

“I’ve noticed [*give specific examples of impaired driving*] and I’m concerned your driving is not like it used to be”

“I’ve been thinking about how much I love you and what would happen if you got into an accident”

“I’ve always respected the advise you have given me and now I’d like for you to respect my opinion as well”
