Allan, D., MacDonald, M., Hancock, T., & Valaitis, R. (2010). Developing novel research methods for studying complex public and population health interventions. Presented at the Centennial Canadian Public Health Association Conference, Toronto, ON.

Borycki, E., Kushniruk, A., Kuo, M. H., & Kuwata, S. (2010). Requirements for communication and exchange of health information: A socio-technical approach to understanding healthcare information exchange. Advanced Information Technologies (AIT) 2010, Taiwan.

Boston, P., Bruce, A., & Schreiber, R. (2010). Understanding existential Suffering at end of life: The challenge for palliative care. The 18th International Congress on Palliative Care, Montréal, QC.

Braslavsky, A., Dixon, R. A. D., Tuokko, H., & MacDonald, S. W. S. (2010). Predicting mild cognitive impairment status with markers of cognitive and physiological change. Paper presented at the Alzheimer's Association International Conference on Alzheimer's Disease, Honolulu, Hawaii.

Braslavsky, A., MacDonald, S. W. S., Tuokko, H. T., & Dixon, R. A. (2010). Predicting mild cognitive impairment status with markers of cognitive and physiological change. Poster presented at the 10th Annual Alzheimer's Association International Conference on Alzheimer's Disease, Honolulu, Hawaii, USA.

Breuer, A. T., Masson, M. E. J., & Bodner, G. E. (2010). A long-term effect of subliminally presented words. Annual meeting of the Psychonomic Society, St. Louis, MO.

Breuer, A. T., Masson, M. E. J., & Bodner, G. E. (2010). The long-term priming for repeated subliminally presented words. Annual meeting of the Canadian Society for Brain, Behavior, and Cognitive Science, Halifax, NS.

Breuer, A. T., Masson, M. E. J., & Bodner, G. E. (2010). The long-term effect of repeatedly-presented masked words. Northwest Cognition and Memory Conference, Bellingham, WA.

Brewster, P. W. H., Tuokko, H., & MacDonald, S. W. S. (2010). Physical exercise as a moderator of cognitive decline trajectories in incident dementia and normal aging. Paper presented at the Alzheimer's Association International Conference on Alzheimer's Disease, Honolulu, Hawaii.

Brewster, P. W. H., Tuokko, H. T., & MacDonald, S. W. S. (2010). Physical exercise differentially moderates cognitive decline trajectories in incident dementia and normal aging. Poster presented at the 10th Annual Alzheimer's Association International Conference on Alzheimer's Disease, Honolulu, Hawaii, USA.

Bruce, A. (2010). Buddhism in Canada's health care: Broadening the spectrum of human experience at end of life. Buddhism in Canada Conference, University of British Columbia.

Bruce, A. (2010). Models for education and training of hospice volunteers and informal caregivers in care of the dying. XVII International Conference of Indian Association of Palliative Care, Tiruchirappalli, Tamilnadu, India.

- Bruce, A. (2010). Welcoming an old friend: Buddhist perspectives on a good death. Centre for the Study of Religion and Society, University of Victoria.
- Bub, D. N., & Masson, M. E. J. (2010). Temporal dynamics of action representations in language comprehension. Joint meeting of Conceptual Structure, Discourse, and Language (CSDL) and Embodied and Situated Language Processing (ESLP), San Diego, CA.
- Carroll, S., MacDonald, M., & Pauly, B. (2010). Theorizing context for public health and health promotion intervention research. Poster presented at the International Union for Health Promotion and Education World Conference, Geneva, Switzerland.
- Chaisson, M., Kelley, H., & Downey, A. (2010). Fictions, promises and realities during the development of an IT-based system for chronic care. Academy of Management, Montreal, QC.
- Chappell, N. L. (2010). Family caregivers – time to support them in what they do best. Plenary Session, British Columbia Activity Coordinator's Association 25th Annual Conference, Port Alberni, BC.
- Chappell, N. L. (2010). Positive action towards health (PATH). PHABC – Supporting community change from a population health perspective, Summer School, Victoria, BC.
- Chappell, N. L. (2010). Structuring the health system, systems level perspective. Canadian Health Services Research Foundation, regional roundtables. Calgary, AB.
- Chappell, N. L., Kobayashi, K., & Maclure, M. (2010). Caregiver perceptions of medications for dementia: Do they make a difference to caregiver burden and quality of life? Canadian Association on Gerontology, Montreal, QC.
- Chappell, N. L., Koybayashi, K., & Maclure, M. (2010). Caregiver perceptions of the effectiveness of dementia drugs. The Gerontological Society of America, New Orleans, LA.
- Chappell, N. L., & Pridham, E. (2010). What does research tells us about interventions that aim to promote the health of informal caregivers for older adults? Canadian Association on Gerontology, Montreal, QC.
- Chappell, N. L., & Pridham, E. (2010). Age friendly communities (AFC) – good for caregivers. Canadian Association on Gerontology, Montreal, QC.
- Chappell, N. L., Maclure, M., & Kobayashi, K. (2010). Caregiver perceptions of the effectiveness of dementia drugs. Paper presented at the Gerontological Society of America's Annual Scientific and Educational Meeting, New Orleans, LA.
- Chen, S., & Wu, Z. (2010). Life expectancy of people with disabilities in China. Paper presented at the annual meetings of Canadian Population Society, Montreal, QC.
- Young, L. E., Muir, J., & Poulton, B. (2010). Improving pain care in BC. Health promotion praxis. CASN Conference, Winnipeg, MB.

- Chiasson, M., Kelley, H., & Downey, A. (2010). Clinicians needed on the web: The results of a randomized controlled trial of web-based systems to support clinician patient activities in diabetes care. Presented to clinicians and faculty at Lancaster University, Lancaster, U.K.
- Cloutier-Fisher, D. & Kobayashi, K. (2010). Framing social isolation in later life: A life course perspective. Gerontological Society of America, New Orleans, LA.
- Cloutier-Fisher, D. (2010). Til death do us part: Exploring the geographic, demographic and support variables that influence social isolation in later life. Geography Colloquium, Victoria, BC.
- Cloutier-Fisher, D., & Trisalyn, N. (2010). A proposal to explore the links between mobility and quality of life for institutionalized persons with dementia. Accredited for Continuing Medical Education credits with the Royal College of Physicians and Surgeons of Canada. Seniors Health Rounds: Vancouver Island Health Authority, Victoria, BC.
- Conner, M. & Rhodes, R. E. (2010). Changing behaviour through affective-based versus cognitive-based attitudinal messages. Presented at the 2010 Annual Meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Cooke, H., & Stajduhar, K. I. (2010). Mixed methods research within the field of gerontology: A review. Poster presented at the Canadian Association of Gerontology Conference, Montreal, QC.
- Corsini-Munt, S., Lang, A., Cohen, R., Easty, T., Stajduhar, K., & Williams, A. (2010). Home sweet home: Safety for the palliative patient, their family and providers at home. Paper presented at the Annual Conference of the Canadian Association of Psycho-Oncology, Quebec City, QC.
- Coward, H., Stajduhar, K. I., Clark, D., Ravvin, N., Soskice, J., Waugh, E., Rambuchan, A., & Ratanakul, P. (2010). Religious understandings of a „good death“ in hospice palliative care. Symposium presented at the European conference on religion, spirituality and health, Bern, Switzerland.
- de Bruijn, G. J., & Rhodes, R. E. (2010). Integrating self-regulatory planning and past exercise behaviour in exercise action control: A theory of planned behaviour perspective. Presented at the 24th European Health Psychology Society Conference, Cluj-Napoca, Romania.
- de Bruijn, G. J., & Rhodes, R. E. (2010). Moderate and vigorous physical activity action control: Exploring the role of conscientiousness and extroversion. Presented at the 2010 International Society for Behavioral Nutrition and Physical Activity, Minneapolis, MN.
- DeCarlo, C. A., Love, J., Hultsch, D. F., & MacDonald, S. W. S. (2010). Successful aging: Multi-causal influences of functionality. Paper presented at Canadian Association of Gerontology, Montreal, QC.
- DeCarlo, C. A., Dixon, R. A., & MacDonald, S. W. S. (2010). Revisiting birren’s bioage: Linking biological and cognitive processes in the Victoria Longitudinal Study. Poster presented at the 13th Biennial Cognitive Aging Conference, Atlanta, GA.

- Dixon, R. A., & MacDonald, S. W. S. (2010). Longitudinal perspectives on memory change and aging. Paper presented at the 8th Tsukuba International Conference on Memory and Aging, Tsukuba, Japan.
- Dolcos, S., Braslavsky, A., Geall, B. P., MacDonald, S. W. S., & Dixon, R. A. (2010). Is mild cognitive impairment associated with markers of biological vitality and lifestyle activity? Poster presented at the 24th Annual Joseph R. Royce Research Conference, Edmonton, AB.
- Dolcos, S., Braslavsky, A., Geall, B. P., MacDonald, S. W. S., Dixon, R. A. (2010). Is mild cognitive impairment associated with markers of biological vitality and lifestyle activity? Poster presented at the 13th Biennial Cognitive Aging Conference, Atlanta, GA.
- Donovan, R. M., Williams, A. M., Stajduhar, K. I., Brazil, K., & Marshall, D. (2010). The influence of culture on home-based family caregiving at end-of-life: A case study of Dutch Reformed family caregivers in Ontario, Canada. Poster presented at the 18th International Congress on Palliative Care, Montreal, QC.
- Downey, A. (2010). A model for short- and long-term cost and benefit analysis. The State of Evidence-based Nursing Best Practice Symposium, University of Ottawa and Canadian Health Services Research Foundation, Toronto, ON.
- Downey, A., Kelley, H., Chiasson, M., & Picaus, D. (2010). The clinical impact of ehealth on diabetes. The Lawson Diabetes Workshop, Edmonton, AB.
- Downey, A., Venkatramanan, A., & Kelley, H. (2010). Combining the BSC and ABC for a strategic costing model in a healthcare setting. Presented at the CGA/University of Manitoba Accounting Conference, Winnipeg, MN.
- Downey, A., Venkatramanan, A., & Kelley, H. (2010). Combining the BSC and ABC for a strategic costing model in a healthcare setting. Presented at the European Accounting Congress, Istanbul, Turkey.
- Fiala, B. & Rhodes, R. E. (2010). Understanding action control: Exercise intensity, intentions and behavior. Presented at the 2010 Western Psychological Association Convention, Cancun, Mexico.
- Fiala, B., Rhodes, R. E., Blanchard, C. M., & Anderson, J. O. (2010). Using social cognitive constructs to predict preoperative physical activity before total joint replacement. Presented at the 2010 North American Society for the Psychology of Physical Activity Annual Meeting, Tucson, AZ.
- Fischer, H., MacDonald, S. W. S., Rieckmann, A., Svärd, J., Gavazzeni, J., & Bäckman, L. (2010). Do age and emotionality influence rate of forgetting and its neural basis in adulthood and aging? Paper presented at the 13th Biennial Cognitive Aging Conference, Atlanta, GA.
- Focht, B. C., Rhodes, R. E., Gurusurthy, P., Wallis, J., & Petosa, R. L. (2010). Utility of the activity trait and the theory of planned behavior for explaining resistance exercise participation. Presented at the 2010 Annual Meeting of the Society of Behavioral Medicine, Seattle, WA.

Funk, L., Stajduhar, K. I., & Cloutier-Fisher, D. (2010). "Empowered decisions" or "default positions": Family members describe the non-use of formal services at the end of life. Poster presented at the International Congress on Palliative Care, Montreal, QC.

Geall, B. P., Dixon, R. A., MacDonald, S. W. S., Fischer, A. L., & Hultsch, D. F. (2010). Intraindividual variability in neurocognitive speed performance in Type 2 diabetes. Poster presented at the 13th Biennial Cognitive Aging Conference, Atlanta, GA.

Grand, J., MacDonald, S. W. S., Tuokko, H., & Hultsch, D. F. (2010). Behavioral plasticity as an early indicator of age-related cognitive impairment. Poster presented at the 13th Biennial Cognitive Aging Conference, Atlanta, GA.

Hayes, M. V. (2010). Pay now or pay later: What are social determinants of health and why are they important? Board Voice Inaugural Annual General Meeting, Landmark Hotel, Vancouver, BC.

Hayes, M. V. (2010). Language, ambivalence and relevance: Reflections on population health research and practice. Green College Series in Population Health, UBC, Vancouver, BC.

Hofer, S. M., & Piccinin, A. M. (2010). Integrative Analysis of Longitudinal Studies of Aging (IALSA) research network: Research synthesis through coordination of measurement and analysis protocol. Poster presented at the annual meeting of the Nordic Congress of Gerontology, Reykjavik, Iceland.

Hofer, S. M., & Piccinin, A. M. (2010). Meta-analysis, pooled data, and coordinated analysis approaches: Integrative Analysis of Longitudinal Studies of Aging. In S. M. Hofer (Chair), *Advances in Longitudinal Data Analysis*. Paper symposium conducted at the annual meeting of the Association for Psychological Science, Boston, MA.

Hofer, S. M. (2010). Integrative Analysis of Longitudinal Studies of Aging (IALSA) research network. Paper presented at the annual meeting of the Public Population Project in Genomics (P3G), Montreal, QC.

Hofer, S. M., & Piccinin, A. M. (2010). A coordinated analysis approach for the replication of longitudinal research. Invited paper presented at the preconference on Integrative Data Analysis of Longitudinal Studies on Aging at the annual meeting of the Canadian Association of Gerontology, Montreal, QC.

Hofer, S. M. (2010). Joint modeling of longitudinal multivariate outcomes. Paper presented at the Advanced Psychometric Conference, Friday Harbor, WA.

Hollander, M., & Chappell, N. (2010). Policy challenges to provide compassionate care to an aging population. Canadian Parliamentary Committee on Palliative and Compassionate Care.

Hundza, S. (2010). Neural control of movement research to clinical practice. University of Victoria (EPHE 357), Victoria, BC.

Hundza, S. (2010). Effect of assistive device use on interlimb cutaneous reflex modulation during walking. Society for Neuroscience Annual Meeting, San Diego, CA.

- Hundza, S. (2010). Analysis of physiotherapy directed balance and falls prevention program for the frail elderly. VIHA Annual Rehabilitation Conference, Nanaimo, BC.
- Jacova, C., Maclure, M., Hosick, D., Mattson, R., Hsiung, G. Y. R., Lee, P., ... Chappell, N. L. (2010). Response to cholinesterase inhibitor medication at first renewal in a Canadian provincial drug coverage initiative: The British Columbia Alzheimer's Drug Therapy Initiative (BC ADTI) experience. ICAD10, Honolulu, Hawaii.
- Keller, C. J., Dixon, R. A., & MacDonald, S. W. S. (2010). Olfactory change linked to change in cognition. Poster presented at the 4th Annual Psychology Students of Vancouver Island Poster Session (PSOVIPS), Victoria, BC.
- Kelley, H., Chiasson, M., & Downey, A. (2010). The clinical and economic impacts of ehealth on diabetes. Building Healthy Lifestyles, Vancouver Island Diabetes Regional Meeting, Victoria, BC.
- Kirk, M., & Rhodes, R. E. (2010). Occupation correlates of adults' participation in physical activity: A systematic review. Presented at the 2010 North American Society for the Psychology of Physical Activity Annual Meeting, Tucson, AZ.
- Kobayashi, K. (2010). Intergenerational programming. Centre on Aging Community Forum, Victoria, BC.
- Kobayashi, K. (2010). Ethno-cultural minority older adults in BC. BC Ministry for Healthy Living and Sport Forum, Victoria, BC.
- Koehn, S., Kozak, J., Khamisa, H., Neysmith, S., & Kobayashi, K. (2010). The health and health care of Canada's ethnocultural minority older adults: A scoping review. Poster presented at The Gerontological Society of America's 63rd Annual Scientific Meeting, New Orleans, LA.
- Kuehne, V., Kobayashi, K., & Carson, A. J. (2010). Case study of an emerging immersion model. Paper presented at the Intergenerational Conference, Singapore.
- Kuo, M. H., Borycki, E., Kushniruk, A., & Te-Shu, L. (2010). Integrating lean and six sigma methodologies for healthcare quality improvement. Advanced Information Technologies (AIT) 2010, Taiwan.
- Kushniruk, A., Borycki, E., Anderson, J., Anderson, M. (2010). Preventing technology-induced errors in healthcare: Usability engineering. XI CERIAS 2010: Annual Information Security Symposium. Purdue University, West Lafayette, IN.
- Kuziemy, C. E., Borycki, E. M., & Brassat-Latulipe, A. (2010). A typology to support his design for collaborative healthcare delivery. Software Engineering and Health Care (SEHC) 2010, Cape Town, South Africa.
- Lang, A., Cohen, R., Easty, T., Stajduhar, K. I., & Williams, A. (2010). Safety in homecare: Perspectives of clients, family members, caregivers and providers. Poster presented at the CIHR Primary Health Care Summit, Toronto, ON.

Laukka, E. J., MacDonald, S. W. S., & Bäckman, L. (2010). Accelerated cognitive decline in preclinical dementia – differences in change point and rate of decline between Alzheimer's disease and vascular dementia. Poster presented at the 13th Biennial Cognitive Aging Conference, Atlanta, GA.

Liebig, P., & Sheets, D. (2010). New directions in the humanities and gerontology: Enhancing capacity to meet the challenges of the longevity revolution. Paper presented at the Eighth International Conference on New Directions in the Humanities. University of California, Los Angeles.

Livingston, P., Welsford, S. D., Marks, A., Greer, A., Louw, A., Waddy, J., ... & Hofer, S. M. (2010). Too stressed to think? Daily stress and cognition. Poster presented at the 4th Annual Psychology Students of Vancouver Island Poster Session (PSOVIPS), Victoria, BC.

Louw, A., Baker, L., Marks, A., Greer, A., Waddy, J., Owen, J., ... & Hofer, S. M. (2010). Too stressed to think? Retest effects in a measurement burst design. Poster presented at the 4th Annual Psychology Students of Vancouver Island Poster Session (PSOVIPS), Victoria, BC.

Love, J. A., MacDonald, S. W. S., & Hultsch, D. F. (2010). Age-related change: Identifying individuals at greater risk of functional impairment. Paper presented at the 39th Annual Scientific and Educational Meeting of the Canadian Association of Gerontology, Montreal, QC.

MacDonald, M. (2010). Back to the future: Health promotion and nurse practitioner practice. BCNPA Annual Conference, Richmond, BC.

MacDonald, M. (2010). Renewing public health system. Building Synergies Symposium, Hamilton, ON.

MacDonald, M. (2010). Conceptualizing advanced practice in public health nursing. Roundtable presentation at the annual National Community Health Nurses Conference, Toronto, ON.

MacDonald, M. (2010). Developing research methods for studying complex population health interventions. Paper Presented at the annual conference of the European Union of Public Health Associations Meeting, Amsterdam Netherlands.

MacDonald, M. (2010). The evidence chain in food safety program implementation: Gate keepers and knowledge brokers. Paper presented at the centennial Canadian Public Health Association Conference, Toronto, ON.

MacDonald, M., Begoray, D., Wharf Higgins, J. (2010). Health literacy and equity: A social justice perspective. Poster presented at Health Literacy: Making the Most of Health, London, UK.

MacDonald, S. W. S. (2010). Biomarkers of cognitive and functional impairment. Invited paper presented at the Integrative Analysis of Longitudinal Studies of Aging Conference, Victoria, BC.

MacDonald, S. W. S. (2010). Dopamine D1 binding modulates age-related increases in intraindividual variability. Paper presented to the University of Victoria Cognition and Brain Sciences Seminar, Victoria, B.C.

MacDonald, S. W. S. (2010). Neural underpinnings of within-person variability in cognitive functioning and aging. Invited presentation at the International Symposium on Exercise to Promote Cognitive Health and Functional Independence, Vancouver, BC.

MacDonald, S. W. S., & Dixon, R. A. (2010). Overview of the VLS: Longitudinal and epidemiological research on aging. Paper presented at the 6th Annual Advanced Psychometrics Methods Workshop, Friday Harbor, WA.

MacDonald, S. W. S., Fischer, H., Rieckmann, A., Karlsson, S., & Bäckman, L. (2010). Behavioral and neural correlates of intraindividual variability in working memory. Poster presented at the 13th Biennial Cognitive Aging Conference, Atlanta, GA.

MacDonald, S. W. S., Karlsson, S., Nyberg, L., Rieckmann, A., Fischer, H., Karlsson, P., Farde, L., & Bäckman, L. (2010). Dopamine d1 binding mediates age-related increases in intraindividual variability in an executive task. Paper presented in the plenary session on executive functions at the 13th Biennial Cognitive Aging Conference, Atlanta, GA.

MacDonald, S. W. S., Thorvaldsson, V., Johansson, B., and Bäckman, L. (2010). Identifying factors that moderate the onset and rate of prodromal cognitive impairment in dementia. Paper presented at the 10th Annual Alzheimer's Association International Conference on Alzheimer's Disease, Honolulu, Hawaii, USA.

Malakuti, K., & Branzan Albu, A. (2010). Towards an intelligent bed sensor: Non-intrusive monitoring of sleep irregularities with computer vision techniques. IEEE International Conference on Pattern Recognition (ICPR 2010), Istanbul, Turkey.

Martin, W., Pauly, B., Ostry, A., MacDonald, M., Hayes, M., Matwychuk, M., Curran, D., & Wallace, B. (2010). Housing, food and income security: Single problems or triple threat? Paper presented at the centennial Canadian Public Health Association Conference, Toronto, ON.

Masson, M. E. J. (2010). Bayesian information criterion as a practical alternative to null-hypothesis testing. Annual meeting of the Canadian Society for Brain, Behaviour, and Cognitive Science, Halifax, NS.

Masson, M. E. J., Bub, D. N., & Breuer, A. T. (2010). Priming of reach and grasp actions by irrelevant objects. Annual Meeting of the Psychonomic Society, St. Louis, MO.

McDonald, C., & McIntyre, M. (2010). An "older" emerging issue: Disrupting heteronormativity in residential facilities. CIHR Innovations in Gender, Sex, and Health Research. Toronto ON.

McFall, G. P., Dolcos, S., MacDonald, S. W. S., & Dixon, R. A. (2010). Do biomarkers mediate type 2 diabetes-cognition relationships: Exploring Structural models. Poster presented at the 13th Biennial Cognitive Aging Conference, Atlanta, GA.

McGowan, P. (2010). a) Self-management Support for health professionals; b) Accessing self-management programs in British Columbia; c) Investigating implementation and impact of self-management in First Nations communities. The 39th Annual Scientific and Educational Meeting of the Canadian Association on Gerontology, Montreal, QC.

McGowan, P. (2010). a) The effectiveness of a chronic disease self-management program in British Columbia First Nations Communities; b) Additional benefits of augmenting professionally-led education with self-management education; c) Strategies to support self-management chronic conditions: Collaboration with patients; d) Planning self-management initiatives for all communities. International Conference on Support for Self-Management of Health. Stirling, Scotland.

McGowan, P. (2010). Innovative models of service delivery. Lost in knowledge translation? Innovation in Health Human Resources Policy. 2010 CHSPR Conference. Vancouver, BC

McGowan, P. (2010). Self-management for chronic pain. Chronic Pain Association of Canada, Vancouver, BC.

McGowan, P. (2010). Self-management support as a strategy for sustained independence. The 2nd Conference on Positive Aging: An Interdisciplinary Team Approach for Health Professionals. Vancouver, BC.

McGowan, P. (2010). Self-management support: An integral component of the chronic care model self-management support strategies. Chronic Disease Management Institute, Toronto, ON.

McGowan, P. (2010). The effectiveness of the diabetes self-management program in a Canadian Context. 7th Lawson Foundation Diabetes Workshop, Edmonton, AB.

McGowan, P. (2010). Vancouver self-management support for health professionals. Building Bridges 13 Conference, Vancouver Coastal Health, Vancouver, BC.

Moreau, J. & Holroyd, A. (2010). Investigating residential care bathing systems: Intimate encounters in not so private spaces. The University of Victoria Centre on Aging Community Forum, Victoria, BC.

Moreau, J. (2010). Cutting the mustard: Nontraditional critical/feminist gerontology perspectives in nursing education research. CASN Nurse Educators Conference, Winnipeg, MB.

Moreau, J. (2010). Examining curious landscapes of agism in nursing education and health care: Implications? Gerontological Nurses Association of BC Conference, Prince George, BC.

Penning, M. J. & Clouston, S. A. (2010). Poverty and disability transitions in middle and later life: Impact on social participation and isolation. Presented at the Annual Meetings of the Gerontological Society of America, San Francisco, CA.

Penning, M. J. (2010). Plenary panel address: Understanding the complexity of aging through interdisciplinary research: The Canadian Longitudinal Study on Aging. Presented at the 2nd Conference on Positive Aging: An Interdisciplinary Approach for Health Professionals. Vancouver, BC.

Petosa, R., Focht, B. C., Gurumurthy, P., Wallis, J., & Rhodes, R. E. (2010). Social cognitive correlates of drive for muscularity and resistance exercise participation. Presented at the 2010 Annual Meeting of the American College of Sports Medicine, Baltimore, MD.

- Petrovskaya, O., McDonald, C., & McIntyre, M. (2010). Dialectic of the University: A critique of instrumental reason in graduate nursing education. International Philosophy in Nursing Conference, Banff, AB.
- Pfaeffli, L. A., & Rhodes, R. E. (2010). Personality, social cognition and exercise behavior: A systematic review. Presented at the 2010 Western Psychological Association Convention, Cancun, Mexico.
- Piccinin, A. M. (2010). Cognition in late life: Separating the effects of age, ill health and dying. Lecture presented in the Social Dimensions of Health Seminar series, University of Victoria, Victoria, BC.
- Piccinin, A. M. & Hofer, S. M. (2010). A coordinated analysis approach for the replication of longitudinal research. Paper presented at the Advanced Psychometric Conference, Friday Harbor, WA.
- Piccinin, A. M., Muniz, G., Matthews, F. & Johansson, B. (2010). Terminal decline from within and between person perspectives, accounting for incident dementia. Paper presented at the biennial Cognitive Aging Conference, Atlanta, GA.
- Prince, M. J. (2010). Engaging in disability policy development and advocacy with the Canadian state. The Canadian Disability Policy Alliance, Regina, University of Regina, SK.
- Prince, M. J. (2010). Family policy at work: Employment benefits, women, and labour force participation in Canada. The West Coast Poverty Center, University of Washington Seattle, WA.
- Prince, M. J. (2010). Working together on employment: People with disabilities, labour markets, public policies, and Canadian federalism. The Disabilities Health Research Network Speaker Series, Vancouver, BC.
- Reid, C., Chappell, N. L., & Kadlec, H. (2010). Evidence-based practice in dementia care: The difference a decade makes. Canadian Association on Gerontology, Montreal, QC.
- Rhodes, R. E., & Nasuti, G. (2010). Trends and changes in behavioural physical activity research over the last two decades: A quantitative review. Presented at the 2010 North American Society for the Psychology of Physical Activity Annual Meeting, Tucson, AZ.
- Rhodes, R. E., Benoit, C., Blanchard, C. M., Symons Downs, D., Levy Milne, R., Naylor, P.J., ... & Mark, R. (2010). Comparison of physical activity motivation and behaviour between age-matched parent and nonparent couples. Presented at the 2010 North American Society for the Psychology of Physical Activity Annual Meeting, Tucson, AZ.
- Rhodes, R. E., de Bruijn, G. J., & Mark, R. (2010). Automatic and motivational correlates of physical activity: Does intensity moderate the relationship? Presented at the 2010 North American Society for the Psychology of Physical Activity Annual Meeting, Tucson, AZ.

Rhodes, R. E., de Bruijn, G. J., & Matheson, D. H. (2010). Characterizing habit in the physical activity domain: Integration with intention temporal stability and action control. Presented at the 2010 Annual Meeting of the Society of Behavioral Medicine, Seattle, WA.

Rhodes, R. E., Matheson, D. H., Mark, R., & Yim, M. (2010). Evaluation of social cognitive scaling response options in the physical activity domain. Presented at the 2010 Western Psychological Association Convention, Cancun, Mexico.

Rhodes, R. E., Naylor, P. J., & McKay, H. A. (2010). RCT of a family physical activity planning intervention among parents and their children. Presented at the 2010 Annual Meeting of the Society of Behavioral Medicine, Seattle, WA.

Rhodes, R. E., & Dickau, L. (2010). Moderators of the intention-behaviour relationship for physical activity: A systematic review. Presented at the 2010 North American Society for the Psychology of Physical Activity Annual Meeting, Tucson, AZ.

Schick Makaroff, K., Beuthin, R., & Bruce, A. (2010). Rethinking constructivism: Social construction as a philosophical approach to social justice in nursing. International Philosophy of Nursing Conference, Vancouver, BC.

Sheets, D., & Liebig, P. (2010). The moon day poets: Creativity and resilience in later life. Paper presented at the Eighth International Conference on New Directions in the Humanities. University of California, LA.

Sheets, D., Alkema, G., Fox, S., Kietzman, K., & Sokolow, T. (2010). Increasing capacity for caregiving through partnerships. Symposium conducted at the Annual Scientific Meeting of the Gerontological Society of America, New Orleans, LA.

Sheets, D., Marcus, M., Stone, R., Kelly, A., Kaye, L., & Iris, M. (2010). Evaluation of innovative models for family and informal caregiving. Symposium conducted at the Annual Scientific Meeting of the Gerontological Society of America, New Orleans, LA.

Sheets, D., Powers, J., Kivnick, H., & Hendricks, J. (2010). The role of arts and humanities in medical, nursing, and social work education. Symposium conducted at the Annual Scientific Meeting of the Gerontological Society of America, New Orleans, LA.

Sheilds, L., Molzahn, A., Bruce, A., Stajduhar, K. I., Schick Makaroff, K., Beuthin, R., & Shermack, S. (2010). Narrative inquiries of life-threatening illness. Symposium presented at the 2010 Qualitative Health Research Conference, Vancouver, BC.

Shields, L., Bruce, A., Molzahn, A., Stajduhar, K. I., Schick Makaroff, K., & Beuthin, R. (2010). Storylines of life-threatening illness. Invited presentation at the HSD "research conversations" session, Faculty of Human and Social Development, University of Victoria, Victoria, BC.

Sparks, C., Hofer, S. M., Piccinin, A. M., Alwin, D., & Wray, L. (2010). Relationships between level, change, and variation in cognitive function and depressive symptoms within spousal dyads. Paper presented at the annual Cognitive Aging Conference, Atlanta, GA.

Spulber G., Niskanen, E., MacDonald, S. W. S., Kivipelto, M., Julkunen, V., Hallikainen, M., ... & Soininen, H. (2010). Dynamic patterns of grey matter atrophy on serial MRI scans: Progressive vs. stable MCI. Poster presented at the 10th Alzheimer's Association International Conference on Alzheimer's Disease 2010, Honolulu, Hawaii.

Stajduhar, K. I. (2010). Family caregivers: Options for our loved ones in the final phases of life. CIHR Cafe Scientifique, Kamloops, BC.
