Abhimanyu Bhandankar

CEO, Droplet Lab (Toronto, Canada)

Email: abhandankar@dropletlab.com | Website: www.dropletlab.com

Abstract of the Talk

This session will demonstrate the assembly and measurement process of CAMTEC's smartphone-based goniometer. The presentation will highlight the product's accuracy (supported by two peer-reviewed papers) and showcase how this technology streamlines measurement tasks.

Additional Information

Two published papers supporting the product's accuracy can be found here:
