Well-being of Bangladeshi Migrants in Italy: Religion, Economic Challenges

Bangladeshi migrants in Italy face hardship and difficulty integrating into their new host country, especially as Muslims. Based on field survey research that we conducted with the help of local partners, we examine the health and well-being of this group relative to others, and explore their life journeys.

Amy Verdun is Professor of Political Science at UVic. She specializes in European politics.

Zoey Verdun is a research associate at Imperial College Business School. Her research focuses on understanding changes in lifestyle behaviours through the lens of behavioural economics.
