THE 62nd ANNIVERSARY OF V-E DAY

"War is an ugly thing, but not the ugliest of things. The decayed and degraded state of moral and patriotic feeling which thinks that nothing is worth war is much worse. The person who has nothing for which he is willing to fight, nothing which is more important than his own personal safety, is a miserable creature, and has no chance of being free unless made or kept so by the exertions of better men than himself."

~ John Stuart Mill

Human Traffic

Sex Slavery is the world's second largest criminal industry, luring 4 million teen and pre-teen girls each year into lives of utter deprivation. It's as dirty as money gets, reaching all the way to your local massage parlour, and its profits bankroll Al-Qaeda as well as organized crime. A Barricades exclusive by Marilyn Vanderstaay
