BZZT! CODE! GO TO YOUR ROOMS!

What the...?

Get on the ground!

Hey!

Yo, man!
Get off
of me!

BZZT! Can we get Corey to visits.

And I'm Paige, and I'm your custody PO.

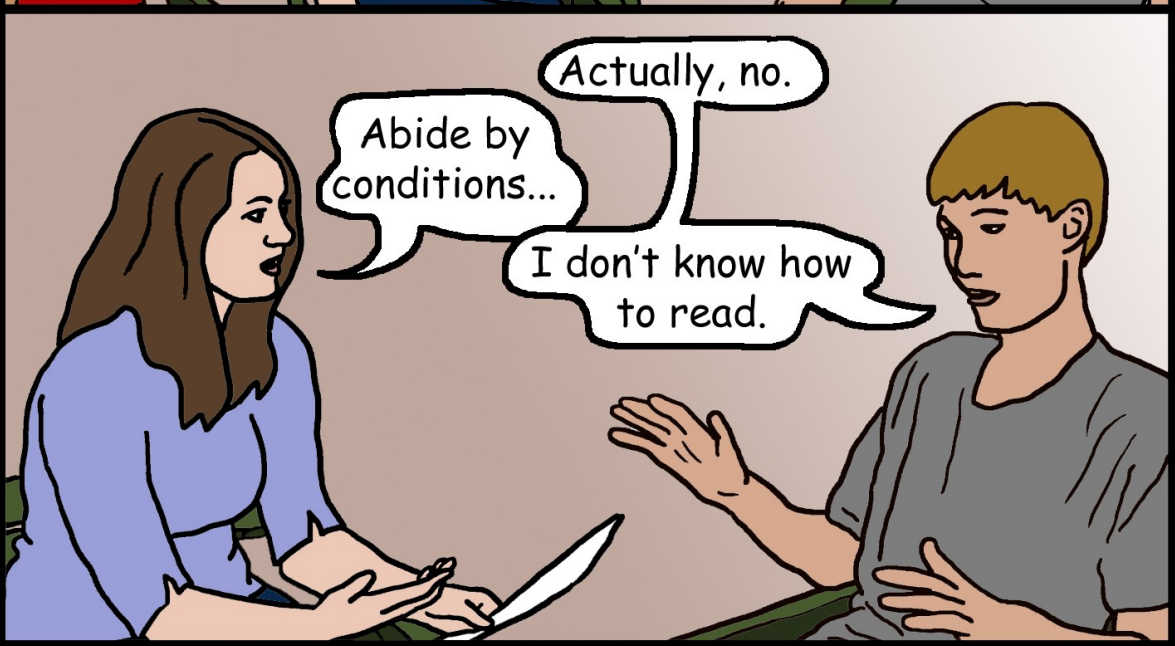

Hey Corey, do you remember me? I'm your PO from the community, Kira.

Hey.

So I guess Tino got into another fight, but it looks like you're doing pretty well here

You're in here because you breached your curfew on your probation order... does that make sense?

Abide by conditions...

Actually, no.

I don't know how to read.

OK, basically you're on probation so you need to follow some rules. You need to stay at home, keep the peace, so behave yourself. I also need you to attend school or get a job.

You also can't drink or use any drugs. If you do screw up, you can come back here. You need to be home for your curfew at 10pm, and you're not allowed to carry weapons.

You'll get out next week at court.

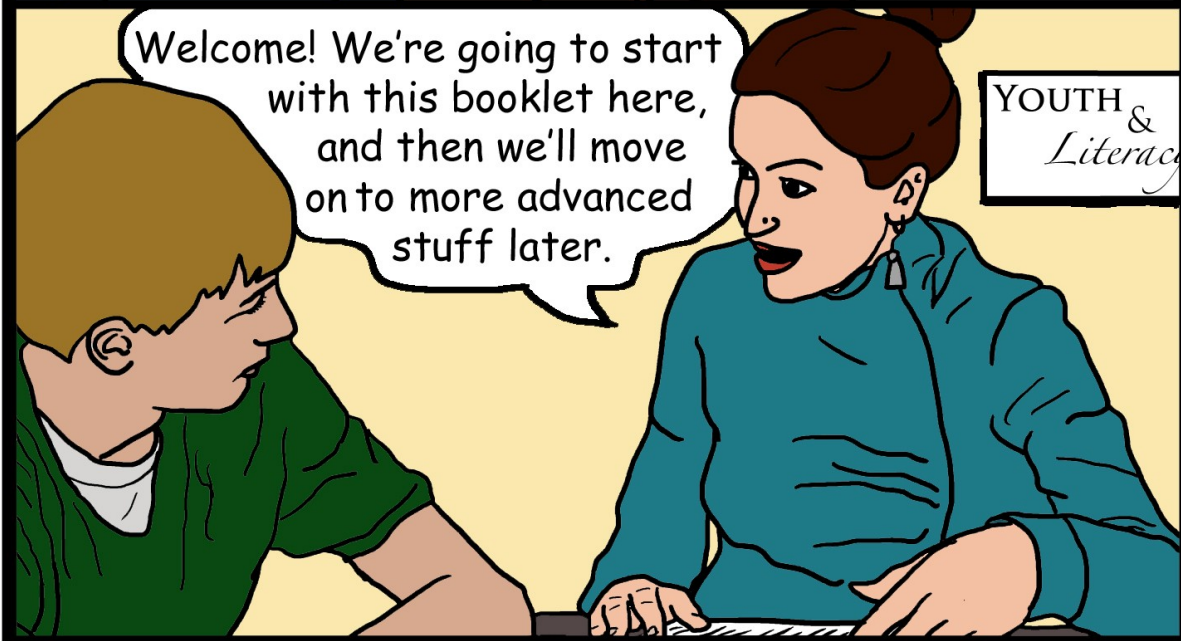

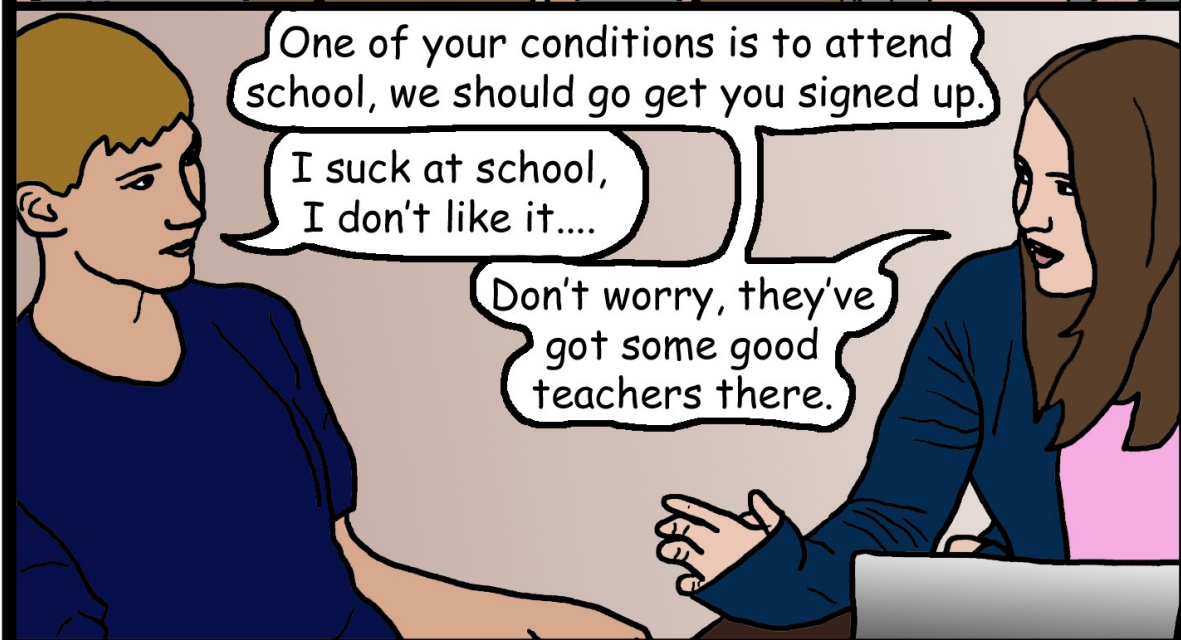

Do you have questions?

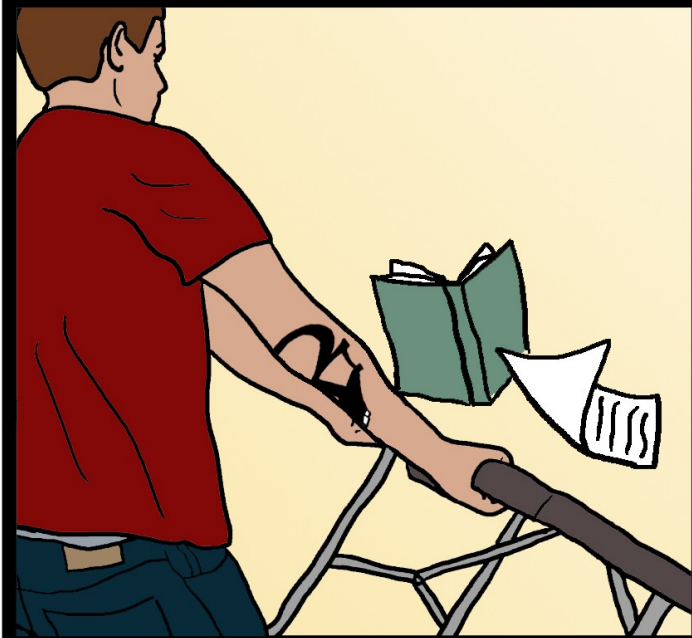

Ya... how long am I here?

Mr. Smith, you're here because you breached, but we know you can do better so I'm letting you out on the following conditions: you must reside where directed, be home by 10pm, abstain from drugs and alcohol and not carry any weapons. Finally, you must keep the peace and be of good behaviour. If you don't obey your conditions, you'll have to serve more jail time.

Several weeks later...

RING
RING!

No, you're right,
if he calls me at this
time of night, it probably
means trouble.

Are you going to
answer that?

TINO

Mornin' babe, what's
for breakfast-

BLAGH!
ugh..

flush

Are you OK??

I think I'm pregnant... we
need to go to the doc.

Holy crap... ya, OK
I'll go with you.

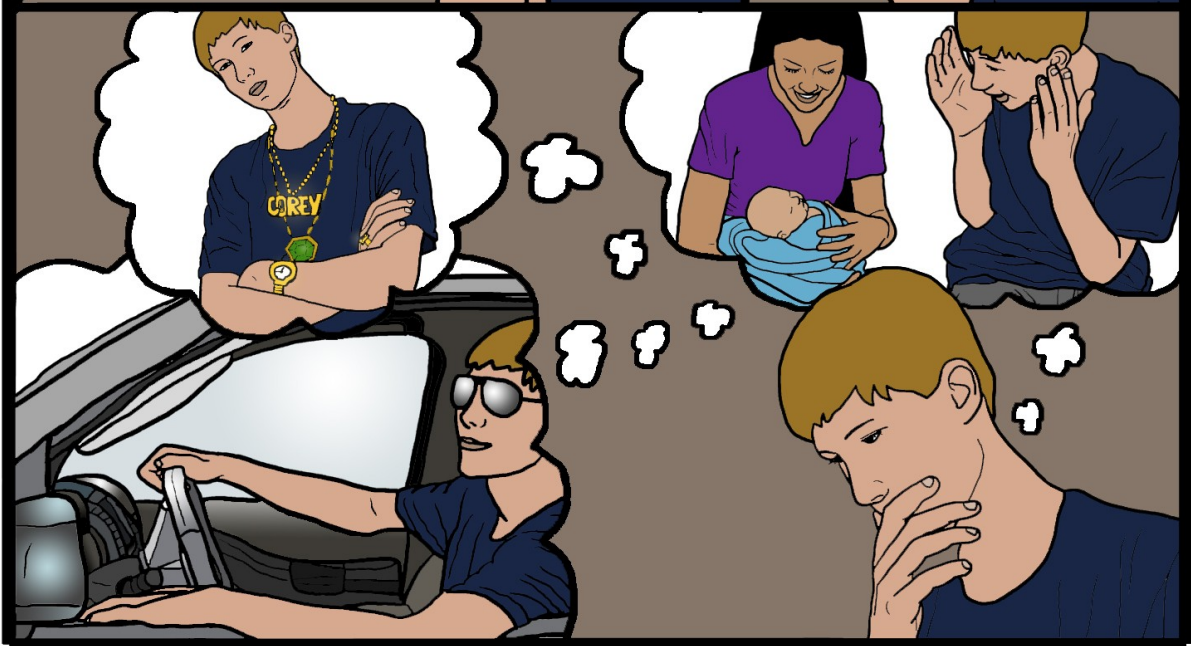

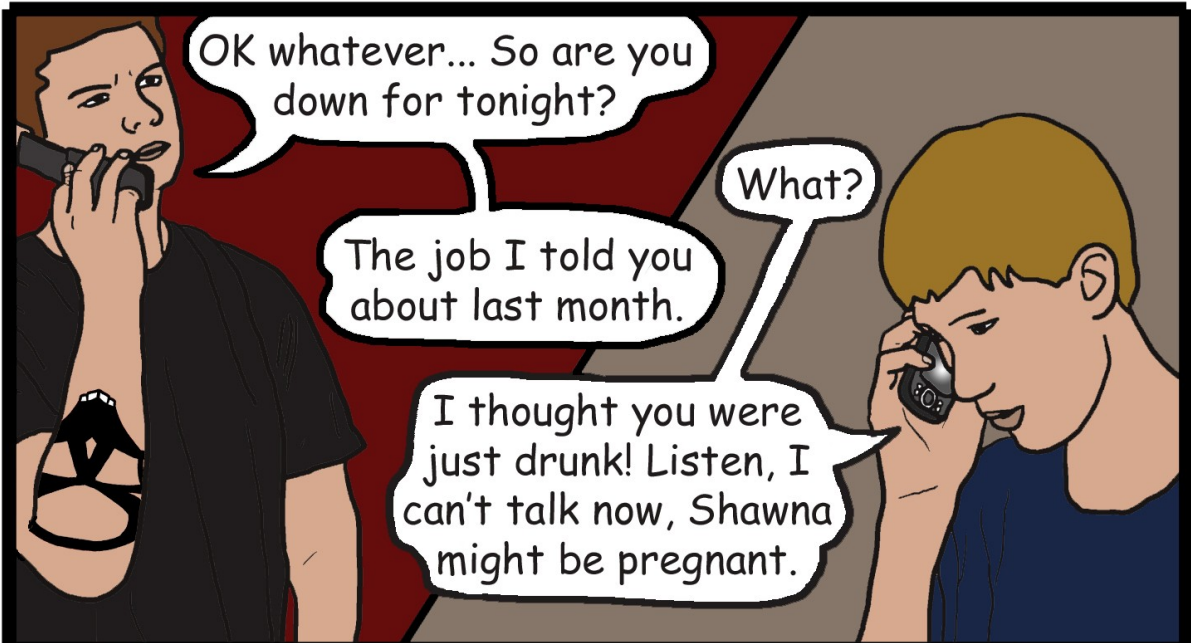

RING! RING!
RIN-

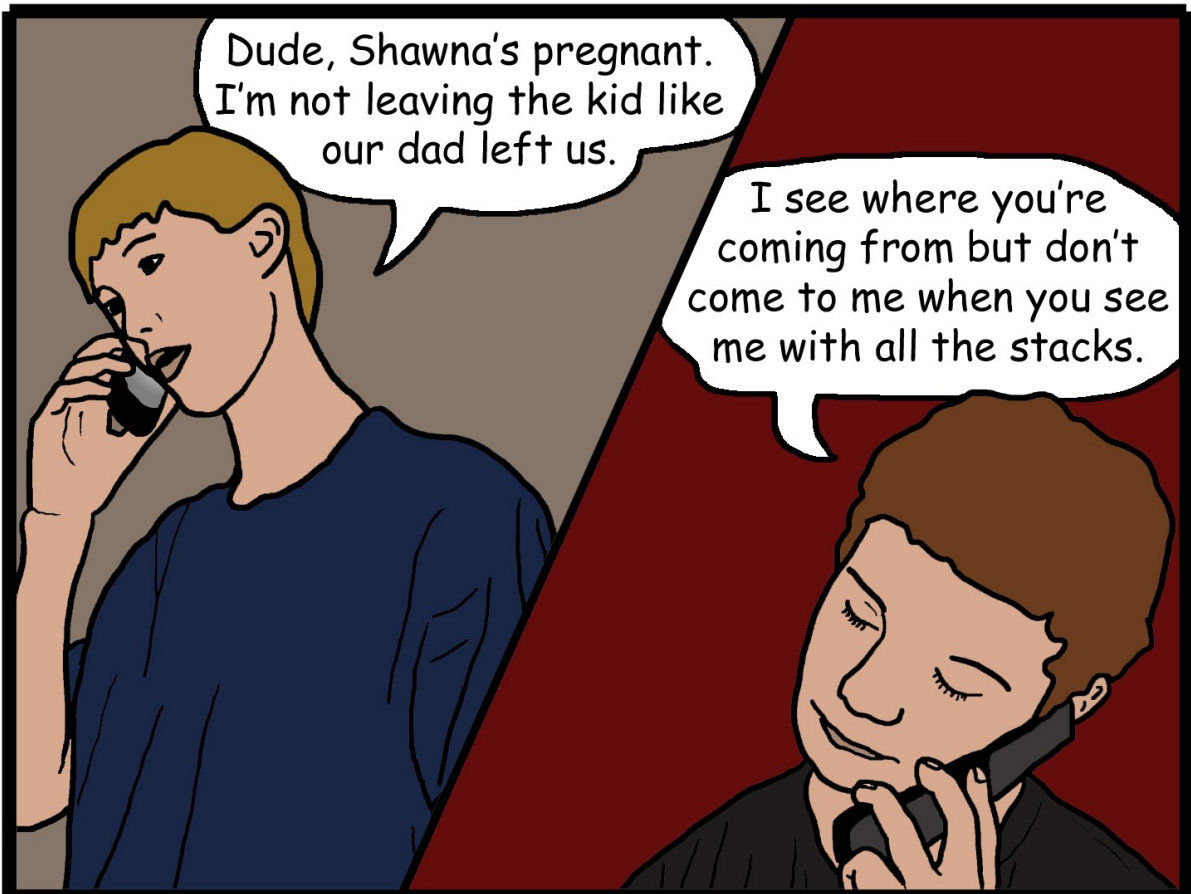

I wonder what that
was about... should I
call him back?

Ya, I heard your
phone all night. I
was going to turn
it off. I guess
you should
see what's up.

Where the hell
have you been?

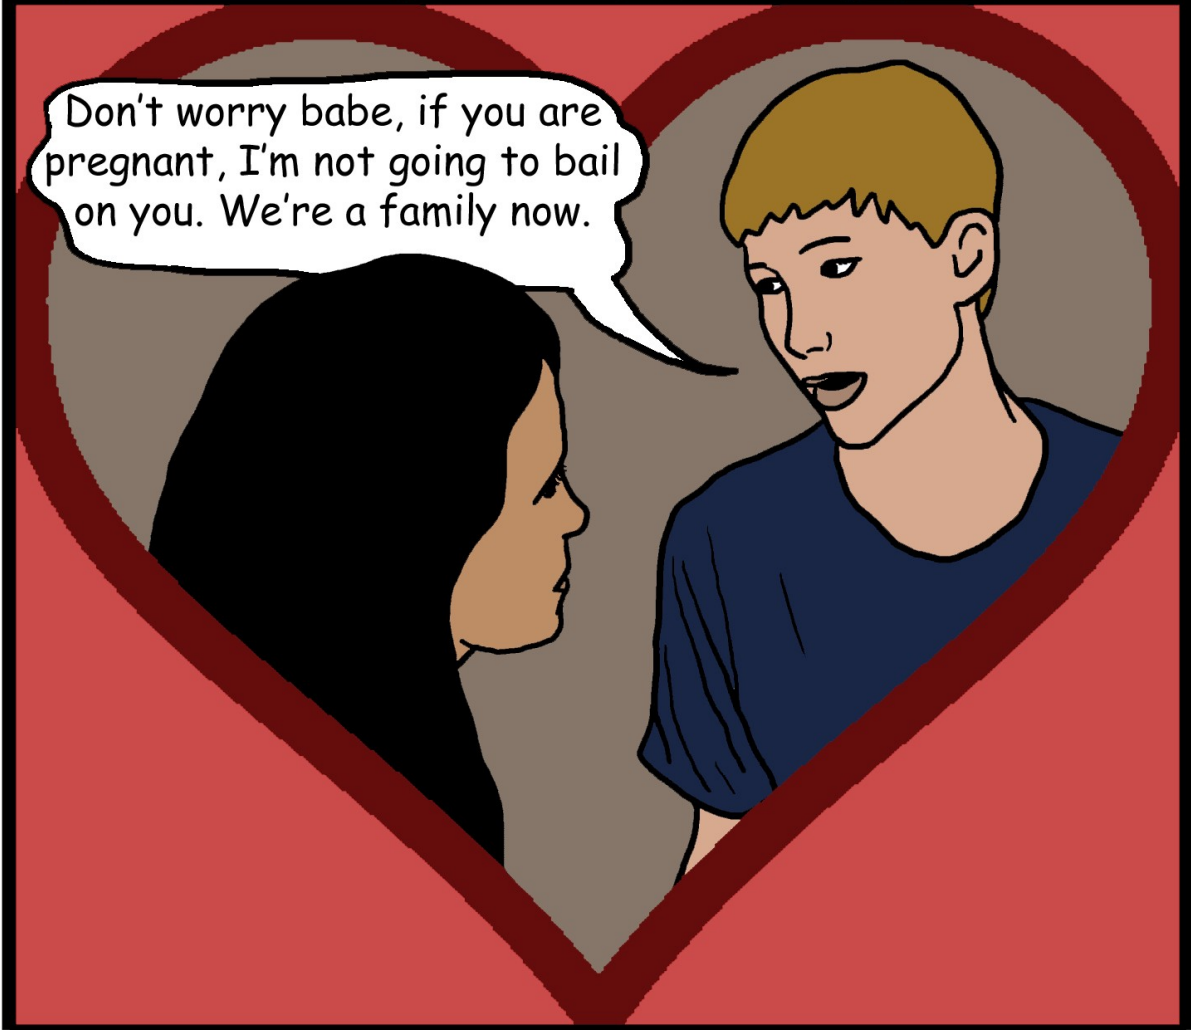

I was sleeping,
what do you think
I was doing?

Dude, Shawna's pregnant.
I'm not leaving the kid like
our dad left us.

I see where you're
coming from but don't
come to me when you see
me with all the stacks.

Don't worry babe, if you are
pregnant, I'm not going to bail
on you. We're a family now.
