

Program Resource Centre Advisor Job Ad 2018-2019

University
of Victoria

Residence Services

Residence Services is currently seeking a fun, creative, engaging individual for the position of Program Resource Centre Advisor.

Residence Services is a unit within the division of Student Affairs that provides accommodation, programming and education to the on-campus student community, in addition to providing a summer conferences operation for off-campus customers. Residence Life and Education, a department within Residence Services, aims to provide students with a safe and welcoming community where they are supported in their learning and personal development.

Reporting to the Coordinator - Student Development and Programming, the Program Resource Centre Advisor is a part time student leadership position integral to the design and implementation of education events and programs for 2300 residents. The PRCA works out of the Residence Program Resource Centre and is the primary programming advisor and support person to the live-in student staff in Residence Life and Education. The PRCA's are involved in supporting the overall Residence Life and Education program by designing, creating, promoting and updating programming resources for use by Residence Life and Education. The PRCA's are also involved in supporting programs and events run in the Residence Resource HUB spaces including the Academic Resource Centre and the Health and Wellness Centre. This position is expected to work approximately 15 hours a week at the PRC and/or at PRC related events each week which includes days, evenings, and weekends.

The Program Resource Centre Advisor is an eight month appointment that is not required to live in residence. The appointment is from August 2018 – April 2019.

Qualifications:

- Demonstrated ability to plan, organize and facilitate group activities, programs and events
- Proven organizational skills
- Demonstrated creativity and initiative
- Demonstrated advising / coaching / mentorship skills
- Good judgment and decision making skills
- Strong oral and written communication skills
- Strong interpersonal communication and problem solving skills
- Proven ability to work well independently and as part of a team
- Knowledge of a variety of technological presentation tools and equipment
- Understanding of student needs and transition issues
- Understanding of various dynamics of living in a communal residence setting
- Must be a registered student at the University of Victoria
- Experience planning events and programs
- Experience creating posters, flyers, etc using digital and manual tools and materials.
