1.3 Term

This Agreement is in effect for one year, from September 1, 2026 to August 31, 2027 (the “Term”). A new agreement may start at any month between September and August and will be effective until August 31, 2027.

1.4 Renewal

Ordinary Renewal

If the Student has not breached this Agreement during the Term, and subject to the Maximum Tenancy provision below, the University will offer the Student the opportunity to renew this Agreement for up to 5 additional terms of one year, provided that the University may in its sole discretion amend the terms and conditions of the Agreement including the rent payable. The University will convey its offer to renew by emailing to the Student a new agreement containing the terms and conditions on which the University is prepared to renew prior to July 1, 2026. The Student may accept such offer by signing such agreement through the Housing Portal on or prior to July 31, 2026. If the Student fails to complete the steps to renewing their agreement to the University by July 31, 2026 the University’s offer to renew shall lapse and be void.

Discretionary Renewal

The Student may request a sixth renewal term of one year following the process set out in the Family Extension Request Guide (<https://www.uvic.ca/residence/assets/docs/Family-Housing-Extensions.pdf>). Whether this extension is granted is in the sole discretion of the University.

Any renewal of this Agreement will be subject to the UVic Family Housing Agreement in effect at the time of such renewal.

1.5 Maximum Tenancy

For clarity, whether the sixth renewal term is granted is in the sole discretion of the University. The Student agrees that the maximum tenancy period in the University’s Family Housing Complex which includes all Family housing buildings, parking lots, and surrounding ground (“Family Housing”) is seven years total per Family. **Your maximum tenancy will not extend past 7 years. For purposes of calculating the maximum tenancy period, all periods of time that the Student has resided in Family Housing will be taken into account, including periods when the Student was not a Student of the University and was residing in Family Housing as a member of a Family (as defined above) of another Student.**

3.0 USE OF PREMISES

3.1 Type of Agreement

This Agreement creates a licensee/licensor relationship. On-campus housing offers a unique community-based living environment, which has different tenancy needs than the general public. As such, section 4(b) of the *Residential Tenancy Act* (the Act) exempts student housing owned or operated by an educational institution and provided by that institution to its students or employees from the Act. Therefore, the Act does not apply to this Agreement or the Student and Occupants occupying the Premises.

3.2 No Sublet

Only the Student and the Occupants, listed on this agreement, may occupy the Premises. This Agreement cannot be assigned, sublet, lent to, sublicensed, or otherwise shared with another person. For greater certainty, the Student is not permitted to rent out or sublicense all or any part of the Premises (e.g. a bedroom or other living area). This is so even when money or other considerations are not exchanged. Unauthorized assignment, subletting, renting, sublicensing, or any other form of lending or sharing is a breach of this Agreement and may result in the eviction of both Student and Occupants (if any) and the person(s) occupying or sharing the Premises.

3.3 Visitors and Guests

The Student shall not permit or allow visitors including family members other than Occupants to stay in the Premises for more than two weeks in any calendar year without first obtaining the University's

permission. Students are responsible for their Guests' behaviour whether or not they participated in, condoned or were aware of the Guests' behaviour. Anyone who is invited to, accompanied on, accepted or admitted to Family Housing by the Student is deemed to be a Guest of that Student. The Student or an adult Occupant listed on this agreement must be staying at the Premises while the Guests are staying at the Premises.

3.4 Use of Premises

The Premises shall be used exclusively as a private residence and not for any illegal, unlawful, commercial or business purpose. No trade, business, professional, political or any other sign or notice shall be exhibited on or about the Premises; the Premises shall not be listed, advertised or used in any way as a business or commercial address by the Student. No public meeting shall be held in or about the Premises.

3.5 Accessible Unit Requirement to Move

If the Premises in which the Student lives is an accessible unit and the Student and Occupants do not require such a unit, and if an accessible unit is required by another Student, the University may require the Student to move to a new unit in Family Housing. The unit that the Student will be reassigned to will be of a similar type to the one required to vacate. The Student will be responsible for items such as reconnection of telephone, electrical service, and cable. The University will coordinate and cover the cost of moving. If the University requires this change, you will be required to pay the fees stipulated for either your existing Accommodation or the new Accommodation, whichever is lower.

3.6 Unit Transfer

Student requests to move from their current unit to a different unit within Family Housing are only considered if there is a change in Family size that no longer meets the occupancy limits laid out in Section 2.3.

A security deposit of \$750 is required for all unit transfers. Existing deposits will be refunded after the transfer is complete and previous unit has been inspected for damages.

4.0 SECURITY DEPOSIT, RENT, AND FEES

4.1 Deposit

The Student shall pay a security deposit of \$750 prior to moving in (the "Deposit"). If the Student cancels their reservation after making the deposit payment, \$500 will be held by the University as a charge for the canceled agreement. The University may, in its sole discretion, apply the Deposit to rent or any other amounts owing under this Agreement, including charges for repairing damage, cleaning or lock changes.

The Deposit refund will be made within 90 days of a Student's move out date less any deductions made by the University. Charges applied to a Student's account are final. When a refund is due to be paid, the Student will be contacted by Residence Services with instructions, and may request to provide banking information in order to facilitate payment to the Student's account.

4.2 Rent

The Student shall pay rent in the amount and manner provided for in this Agreement. Rent is payable in advance, on, or before the first day of each month. The first rent payment must be paid one week prior to check-in. Payment may be in the form of internet or telephone banking, personalized cheque, money order, cash, or debit card. Credit Cards are not an accepted form of payment.

The following items are included in the monthly Rent:

4.4 Arrears

A \$25 service charge will be applied for each NSF cheque. Late payments may not be accepted. If a late payment is accepted, it will be subject to a late payment fee of \$100 and subject to a service charge of 1.5% per month compounded monthly (an effective annual rate of 19.56%) and added to accounts not paid by their due date, at each month end.

4.5 Outstanding Amounts

Any outstanding balance remaining on a Student's residence account may result in the use of collection agencies to recover such outstanding amounts, and such other actions as the University may be legally entitled to take.

4.6 Fees for Lost Keys

If the Student loses any of the keys that are issued at check in, or that are ordered during the Term, Residence Services is required to change the locks, and the Student shall pay lock change fees. Lock change keys are posted on our [website](#).

5.0 END OF TERM

5.1 Required Move-Out

- i. Students are required to move out no later than two calendar months after program completion or withdrawal from courses.
 - a. Students are not permitted to stay in their units for convocation if it is outside of this two month period.
- ii. For the purpose of this Agreement, registration in an undergraduate or graduate program ends on the "Program Completion and Closure Date" which is the date the University considers the Student's academic program to be concluded. This is different from the date of the Student convocation. For move-out purposes, program completion is considered as the final month that you are registered in courses. Typical move-out dates are shown below, based on the University's Fall, Spring, and Summer academic terms; however, required move-outs may occur at any time throughout the year.
 - a. If your courses end in December, your move-out date is on or before the end of February.
 - b. If your courses end in April, your move-out date is on or before the end of June.
 - c. If your courses end in August, your move-out date is on or before the end of October.
- iii. Students may be required to move out due to loss of eligibility (see 5.2 below), or due to breach of Agreement (see 5.3 below).

5.2 Loss of Eligibility

- i. If the Student, by a change in their status as a Student, a parent or member of a Family no longer meets the eligibility requirements set out in sections 2.1, 2.2 and 2.3 (examples include but are not limited to ceasing to be a full-time Student, or loss of custody of children) the Student will, within seven (7) days of such change, notify the University and provide at least one month's notification to vacate the Residential Premises.

- ii. If any of the Occupants no longer meet the eligibility requirements set out in Section 2.2, the Student will within 30 days of such change cause the Occupant to cease residing in the Residential Premises.

5.3 Termination of Family Housing Agreement by the University

If at any time the Student:

- fail to pay rent within 5 days of when it's due;
- fails to pay when due any assessments or damages assessed pursuant to the terms of this Agreement;
- no longer meet the eligibility requirements for residency in your Accommodation;
- has violated the Community Standards or any other University rules, policies or procedures as may be issued, amended, supplemented or replaced from time to time; or
- breaches any provision of this Agreement and within 10 days after receiving written notice from the University that the agreement has been breach, the breach is not cured.

In addition to any other right or remedy it may have, the University, will have the right without notice or resort to legal process, re-enter and take possession of the Premises, remove you and all other persons and property and use such force and assistance as the University deems advisable to take vacant possession of the Premise, and terminate this Agreement. Any property removed from the Premises may be stored in a public warehouse or elsewhere at the Student's expense. No re-entry by the University operates as a waiver or satisfaction, of any right, or claim of the University arising out of, or connected with, any non-observance or non-performance of any covenant or agreement of the Student. If the University exercises its option to re-enter and take possession of the Premises, the Student remains liable under this Agreement for all amounts due and payable to the University, including outstanding rent, damages, costs or other amounts owing under this Agreement.

The Student further agrees that any breach of this Agreement whatsoever by the Student, an Occupant, or a Guest of the Student or the Occupant, shall be deemed to be a breach of this Agreement by the Student, and the University may resort to any right or remedy available to it under this Agreement, including those set out above, with respect to any such breach.

Students who are evicted are normally given 30 calendar days to leave and remove their possessions from their Accommodation. This period may be extended or shortened at the discretion of the Director of Residence Services or designate.

5.4 Student Notice of Withdrawal

The Student may terminate this Agreement if the following conditions are met:

- i. The Student has submitted a Family Housing Notice of Withdrawal Form at least 30 days prior to the proposed Agreement termination date. Notice shall be given by noon on or before the last day of the calendar month, to take effect on the last day of the ensuing calendar month. Phone calls, emails and verbal notices are not accepted as official notice of withdrawal.
- ii. The proposed vacancy date must be at least 30 days from date notice is received and must fall on or before the first day of the month. If late notice is given, the Student will be charged until the last day of the calendar month following the calendar month in which the withdrawal notice was received at the Residence Services office.
- iii. The tenancy shall end at noon on the day of termination.

- iv. Once notice of termination is given, the Student agrees to allow the Premises to be shown to any and all prospective Students at all reasonable times, subject to 24 hours' notice from the University.

5.5 Moving Out

When moving out of the Premises:

- i. The Student will leave the Premises and equipment in a clean and undamaged condition suitable for re-rental.
- ii. The Student is responsible for cancelling utility services prior to departure. Failure to cancel services may result in the Student being billed for utility usage after their move-out date.
- iii. Residence Services will not provide access to a third party or the former Occupant to check the mailbox after move out. The Student is responsible for updating their mailing and/or forwarding address with Canada Post.
- iv. The Student shall replace and pay for any burnt-out light bulbs in the Premises and leave all such working replacements when vacating.
- v. Charges will apply for any damages or cleaning required (including replacing light bulbs) and items left behind after move out.
- vi. No furniture moving shall be done before 8:00 a.m. or after 9:00 p.m.

5.6 Vacant Possession

The Student will provide vacant possession of the Premises, following all check-out procedures, and return all keys to the Residence Services office, no later than 12:00 p.m. of the last day of the Term unless prior written authorization to do otherwise has been received from the University. Vacant Possession means removing all persons and Student's personal possessions from the Premises and Family Housing. The Student agrees that in the case of any of the Student's or an Occupant's personal property remaining in the Premises or elsewhere at Family Housing after the Student provides the University with vacant possession, the University may remove and dispose of such property without compensation to the Student or any Occupant(s). The Student agrees that the University will be under no obligation to store any such belongings remaining in the Premises or at Family Housing or to sell them or otherwise recover their value.

5.7 Overholding (failure to depart)

If the Student remains in possession of the Premises after the expiry date of the Agreement, no new right of occupation is created and the University may, without notice, re-enter and take possession of the Premises, remove the Student and all other persons and property and use such methods and assistance as the University deems necessary to retake possession of the Premises. The Student will pay all the University's costs arising from such failure to vacate including the cost to the University to clean the Premises and to provide hotel and meals for any incoming tenant, who is scheduled to take possession of the residential premises, and that tenant's Family. In this situation, purported rent payments by the Student shall not be effective to create any new or continued right of occupation unless such right of occupation and receipt of payment are expressly and separately acknowledged by Residence Services and the Student covenants that they will not claim otherwise. The right of occupation that is created by such acknowledgement shall be for the period set out in the acknowledgement and subject to the terms of this Agreement applicable to the occupancy period.

6.0 COMMUNITY STANDARDS

6.1 Compliance with Laws and University Policies et cetera.

The Student agrees to abide by all federal, provincial and local government laws, regulations and bylaws and all applicable University rules, regulations, policies and procedures as issued, amended, supplemented or replaced from time to time, including those of Residence Services and the University's policies concerning non-academic misconduct of Students. To the extent that there is any discrepancy between matters dealt with both in this Agreement and any other publication of Residence Services, the provisions of this Agreement shall prevail. University policies can be found here:

<https://www.uvic.ca/universitysecretary/policies/>

6.2 Conduct Follow-up

As part of the greater University community, incidents involving the Student, Occupants or Guests of Family Housing may be superseded by other University policies. Incidents that occur in Family Housing may be beyond the scope of the Family Housing Agreement and may require follow-up outside of Residence Services.

In these circumstances, an incident may be:

- i. Investigated under the University's Resolution of Non-Academic Misconduct Allegations-AC1300 (<https://www.uvic.ca/universitysecretary/assets/docs/policies/AC1300.pdf>), and/or referred to alternative University discipline procedures,
- ii. Investigated under the University's Sexualized Violence Prevention and Response Policy
- iii. Investigated under any other applicable [policy](#) of the University,
- iv. Referred to the University's Human Rights & Equity office, and/or
- v. Referred to Campus Security Services, or local authorities.

6.3 Responsibility for Occupants

The Student acknowledges and agrees that they are responsible for the conduct of Occupants and Guests of the Student or Occupants in and about the Premises in Family Housing, including the common areas.

6.4 Supervision of Minors

Minors under the age of 10 must have adult supervision at all times and must not be left unattended in an apartment or townhouse. This includes playing in and around Family Housing, designated play areas and the greater campus community. Children are not allowed to play in the hallways or common areas of any building.

6.5 Emergencies or Urgent Issues

The Student, Occupants and Guests are required to contact 9-1-1 for medical emergencies. Please contact Campus Security and/or emergency services to report urgent issues that may impact community health, safety, facilities, etc.

6.6 Noise

The Student, Occupants and Guests shall not disturb other Occupants of University Family Housing, and shall not cause unreasonable noise including loud conversation, music or television that disturbs the peaceful enjoyment of Family Housing at any time; in particular between the hours of 9:00 p.m. – 8:00 a.m.

6.7 Loitering

Any person allowed on the Premises will not obstruct or loiter in building common areas including building hallways, laundry rooms, stairwells, elevators, lobbies, driveways and or outdoor pathways.

6.8 Safety Equipment

Safety equipment including sprinklers, smoke detectors, heat sensors, fire exit signs, fire extinguishers, pull stations, hoses, alarm bells, Stopper II Devices, and any other safety equipment are necessary to safeguard Occupants. Activating, handling, using, covering, disengaging or otherwise interfering with any fire or safety equipment for any reason other than an emergency is prohibited whether such actions were intentional or not. Examples include discharging fire extinguishers, touching fire alarm pull-stations or fire hoses, hanging objects from sprinkler heads, or striking safety equipment with an object.

6.9 Smoking and Vaporizers

In accordance with University of Victoria policy, smoking of tobacco or any other matter or substance which can be smoked is prohibited in Family Housing. This is deemed to include: smoking cigarettes, cigarillos, and cigars; smoking using pipes, the use of hookahs, vaporizers, shisha or any other smoking devices and the use of electronic cigarettes or similar vaporizing devices.

Smoking or vaping of tobacco or cannabis is permitted only in designated smoking areas on University property. For more information, please visit: <https://www.uvic.ca/ohse/health/smoke-free/index.php>.

6.10 Cannabis Use

Possession and consumption of cannabis, or cannabis products, by individuals under the age of 19 years in British Columbia is a violation of provincial law. Provincial cannabis regulations apply to all family housing units and the university facilities as a whole. Students, Occupants and their guests are responsible for knowing, understanding and complying with these standards and policies. Students, Occupants and their guests who meet the criteria listed above and choose to consume cannabis must do so responsibly and will be accountable for their actions. Cannabis consumption is not an excuse for disruptive or unacceptable behaviour.

The following definitions apply with respect to cannabis in family housing:

“cannabis” has the same definition as in the federal statute “An Act respecting cannabis and to amend the Controlled Drugs and Substances Act, the Criminal Code and other Acts”.

“cannabis product” is any substance that contains cannabis including marijuana, seeds, hashish and their derivatives or any product (for example edible products, oil, lotions, tinctures) that contain cannabis.

“cannabis equipment” means any equipment, paraphernalia or device used to prepare or consume cannabis products (for example bongs, vaporizers, scales, grinders, etc).

“Federal Law” means the Statute of Canada entitled “An Act respecting Cannabis and to amend the Controlled Drugs and Substances Act, the Criminal Code and other Acts” and any other Canadian federal legislation regulating cannabis here.

“Provincial Law” means any legislation of the Province of British Columbia regulating cannabis.

Where the provisions of this Contract are more restrictive than the Federal and Provincial laws or the general rules of the University of Victoria regarding cannabis, then the provisions of this Contract prevail.

The following rules apply with respect to cannabis in family housing.

1. Smoking or vaping cannabis products is permitted only at designated cannabis benches.
2. Consuming cannabis products, serving cannabis, or carrying unsealed cannabis is not permitted in any common areas including, but not limited to, patios, balconies, walkways, elevators, washrooms, laundry rooms, hallways, and stairwells.
3. The possession or cultivation of cannabis plants in your Accommodation or elsewhere in the Family Housing Complex is prohibited.
4. Manufacturing of cannabis oil in a family housing unit for the purpose of producing edibles for self or distribution is strictly prohibited.
5. Cannabis products must be stored:
 - a. in your private space in your room;
 - b. with labels clearly indicating they contain cannabis; and
 - c. sealed in a container such that any smell is undetectable outside of your family housing unit.
6. Cannabis equipment must be stored:
 - a. in your private space in your room;
 - b. sealed in a container such that any smell is undetectable outside of your family housing unit; and
 - c. with labelling clearly indicating it is used to prepare or consume cannabis;
