

JOB OVERVIEW

UVic Residence Services is seeking to hire a student interested in supporting Indigenous students by staffing a community lounge space through the role of Indigenous Student Lounge Advisor (ISLA) in the 2024-25 Academic Year. The foundation of this position is to staff the new Indigenous Student Lounge and provide resources, peer support, and programs that meet Indigenous student needs.

Residence Services is a unit within the division of Student Affairs that provides accommodation, programming, support, and education to the on-campus student community as well as a summer conferences operation for off-campus customers. Residence Life & Education, the department within Residence Services for which ISLAs work, aims to support the learning and personal development of all residents within a safe and welcoming community.

The Indigenous Student Lounge Advisor (ISLA) is integral to the design and implementation of cultural events and educational programming for Indigenous residents and students. The ISLA works out of the Indigenous Student Lounge (ISL) to facilitate programming and conversation and provide support to Indigenous students. ISLAs report to the Coordinator, Indigenous Initiatives (CII).

The ISLA is an eight-month appointment (August 26, 2024 – April 30, 2025). ISLAs work up to 380 hours over the course of the academic year (approximately 12-15 hours/week) at the ISL and/or at ISL-related events. ISLAs can expect to work some evenings and weekends coinciding with ISL operating hours. Due to operational requirements, ISLA staff cannot hold another student staff position with Residence Services during the academic year. **As this posting is off-cycle and the Academic year has now begun, we are looking for a student to begin as soon as possible.**
