

UVRA Board Nominations 2025-26

The future of the UVRA Board has never been more bleak, in our 30+ years of existence. Through death, family obligations and other reasons, board positions have become vacant. Our collective experience and essential memories are severely curtailed by these losses; and recent retirees with valuable skills and contact networks have been reluctant to step up.

Members are urgently encouraged to volunteer for the board and vacant positions, particularly as there are important discussions ahead which will affect the Association's relationship with the University. *[See Note 1]*

Information on how to volunteer is available via uvra@uvic.ca.

Note: Although nominations from the floor of the AGM are not permitted, the board may accept nominations and make appointments in the interim between AGMs, subject to ratification at the following AGM.
