SESSIONAL LECTURER

The School of Molecular Life Sciences invites expressions of interest for the following sessional lecturer position:

[MLSC 102 \(Biochemistry & Human Health\)](#): Fall 2026 (September - December) 1.5 Units (one section) of teaching. Anticipated enrolment: 110 students.

Expressions of interest due June 26, 2026. Employment decisions will be made no later than July 3, 2026.

Teaching will be at an introductory undergraduate level. Applicants should possess a PhD degree and appropriate teaching experience. While we will consider all applications, only those applicants selected for interview will be contacted.

Salary is subject to the [Cupe4163- Component 3 collective agreement](#)

Expressions of interest should include: a curriculum vitae, a cover letter outlining suitability for the position, and the names and contact details of three references. Please submit by email to:

Administrative Officer
School of Molecular Life Sciences
bcmbadmn@uvic.ca

All qualified candidates are encouraged to apply; however, in accordance with Canadian Immigration requirements, Canadians and permanent residents will be given priority. This position is within the CUPE 4163 (Component 3) certification. The University reserves the right to fill additional teaching assignments from the pool of applicants for this posting. Positions are subject to funding and enrolment criteria.

UVic is committed to upholding the values of equity, diversity, inclusion and [human rights](#) in our living, learning and work environments. In pursuit of our values, we seek members who are eager to actively participate in that shared responsibility. We actively encourage applications from members of [historically and systemically marginalized groups](#). Read [our full equity statement](#).
