## SESSIONAL LECTURERS

The Department of Biochemistry and Microbiology invites expressions of interest for the following summer sessional lecturer positions:

[BIOC 300A \(General Biochemistry I\)](#): Summer 2025 (May - June). 1.5 Units of teaching. This is a condensed course, three 2-hour sessions a week. Anticipated enrolment: 40 students.

Expressions of Interest due March 21, 2025. Employment decisions will be made no later than April 4, 2025.

Teaching will be at an advanced undergraduate level. Applicants should possess a PhD degree and appropriate teaching experience. While we will consider all applications, only those applicants selected for interview will be contacted.

Salary is subject to the Cupe4163- Component 3 collective agreement and is based on years of lecturing experience at a post-secondary institution. The University reserves the right to fill additional teaching assignments from the pool of applicants for this posting. **Positions are subject to funding and enrolment criteria.**

Expressions of interest should include: a *curriculum vitae*, a cover letter outlining suitability for the position, and the names and contact details of three references. **Please submit by email to the Administrative Officer at [bcmbadmn@uvic.ca](mailto:bcmbadmn@uvic.ca)**

UVic is committed to upholding the values of equity, diversity, and inclusion in our living, learning and work environments. In pursuit of our values, we seek members who will work respectfully and constructively with differences and across levels of power. We actively encourage applications from members of groups experiencing barriers to equity. Read our full equity statement here: [www.uvic.ca/equitystatement](http://www.uvic.ca/equitystatement)
