

## Biology Honours Program Application Form

To be completed by student:

Student Name \_\_\_\_\_ Student # V0 \_\_\_\_\_

Email \_\_\_\_\_

Expected date of graduation (month, year) \_\_\_\_\_

Proposed Honours project \_\_\_\_\_

Does this project involve the use or observation of animals?      \_\_\_Yes      \_\_\_No

If yes, does your supervisor have an approved animal use protocol (AUP) that you will be following?

\_\_\_Yes      \_\_\_No      Approved animal use protocol number \_\_\_\_\_

Student Signature \_\_\_\_\_

To be completed by Honours Research Supervisor(s):

Supervisor Name \_\_\_\_\_

Email \_\_\_\_\_

Supervisor's signature \_\_\_\_\_

NOTE: If the student's Honours supervisor does not have a regular appointment with the Department of Biology, a co-supervisor from the Department is required.

Co-supervisor Name (if applicable) \_\_\_\_\_

Email \_\_\_\_\_

Co-supervisor's signature \_\_\_\_\_

Signature of the supervisor(s) is confirmation that you agree to

1. supervise the above student's Honours project, and
2. ensure the student's awareness of lab safety guidelines and required lab protocols (including WHMIS, use of animals, and research with human subjects).

**Please submit this completed form to the Biology Honours Advisors via email  
to [biology@uvic.ca](mailto:biology@uvic.ca) by May 1 of each calendar year.**
