SESSIONAL INSTRUCTOR POSITIONS AVAILABLE

The Department of Chemistry is seeking a Sessional Instructor for the following courses offered during the Summer 2026 term.

- CHEM 101 – Fundamentals of Chemistry from Atoms to Materials
- CHEM 102 – Chemical Reactivity Fundamentals with Environmental Applications

Information about the course can be found at

<https://www.uvic.ca/science/chemistry/undergraduate/courses/index.php>

The salary range for the appointment is \$1,700 - \$2,078 monthly, depending on experience.

This appointment is within the CUPE 4163 (Comp 3) Sessional Lecturers certification.

Expressions of interest should be emailed to scarlson@uvic.ca with a cover letter and CV by **Friday March 6, 2026**.

The University of Victoria is committed to upholding the values of equity, diversity and inclusion in our living, learning and work environments. In pursuit of our values, we seek members who will work respectfully and constructively with differences and across levels of power. We actively encourage applications from members of groups experiencing barriers to equity. The university's full equity statement is located at www.uvic.ca/equitystatement.

The university reserves the right to fill additional teaching assignments from the pool of applicants for this posting.
