## GRADUATE RESEARCH AWARD for CHEMISTRY EXCELLENCE (GRACE)

---

The GRACE is a **renewable \$12,000 award** and a **\$5,000 research stipend** (for related expenses, like conferences or a computer).

All applicants are considered. We will bring shortlisted candidates here for an interview and tour.

We offer competitive stipends (minimum \$25,000) to all our graduate students toward degrees in virtually all areas of chemistry.
