Nation or Community:

Identify **at least one project of interest for your NSERC USRA** application and discuss the position with the researcher, your potential supervisor. All SEOS faculty NSERC holders are potential supervisors whether or not they have an advertised USRA project.

**APPLICATION PACKAGES MUST BE RECEIVED
IN THE SCHOOL OF EARTH AND OCEAN SCIENCES BY EMAIL SEOS@UVIC.CA
BY 4:00PM FRIDAY 8 OCTOBER 2021**

As part of your application, you should demonstrate your interest in and suitability for at least one project with a SEOS faculty member. We expect that you will meet with potential supervisors to discuss projects before submitting your application.

With your application, you must include:

1. This Cover Sheet.
2. Cover Letter – detail your interest in and suitability for one or more projects with a SEOS faculty member, including your discussion with your potential supervisor. Please also describe any personal involvement in the field, such as community engagement, volunteering, etc... (If chosen to be a USRA nominee, you will not be bound to do your project with the supervisors listed in your application.)
3. Current CV – be sure to detail past experience relevant to potential USRA projects as well as past awards and scholarships.
4. Unofficial transcript(s) for UVic and any other Post-Secondary Institution attended.

*Note: Official transcripts are required if your application is nominated for an award.
