Anthropology Annual Update

Greetings from the Anthropology Department at UVic!

We are beginning a new initiative in 2013 to find out more about our alumni and help you reconnect with the department. We greatly appreciate you taking a moment to read our 'Annual Updates'. Discover which events, opportunities, or lectures you would like to participate in and fill us in on your journey since graduating from UVic. If you would like to find out more, please email Jessica at anthtwo@uvic.ca.
