NEWS FOR THE MONTH OF OCTOBER 2015

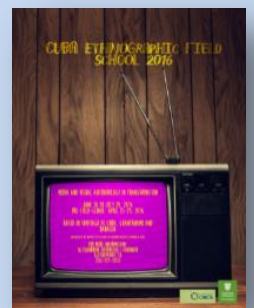

Events in October

What's happening?

Cuba Ethnographic Field School 2016 Information Session

Tuesday, October 13th, 2015: Information session, 6:30 – 7:30 pm, Cornett A319

- UVic Anthropology (in collaboration with Oikos Experimental and the Universidad de Oriente in Cuba) will be offering its second ethnographic field school in Cuba.
- The theme for the 2016 summer school in Cuba is “Media and Visual Anthropology under Transformation.” This field school is addressed to students who are interested in acquiring in-depth knowledge of a local cultural milieu through the use of visual and sound recording and editing. For more information, please visit our Field Schools’ [webpage](#).
- Field school dates:
 - Mandatory Pre-field-school workshop: April 20 to 29, 2016.
 - Field School: June 28 to July 24, 2016

International Careers Roundtable and Canadians in the World Today

Thursday, October 8 - 2:30-4:00 pm, MacLaurin Building (MAC) D103

- Join senior Canadian diplomats for a discussion on the varied nature of international careers and Canada's role in the world today. This session will highlight the wide range of international employment opportunities both in Canada and around the world. The Roundtable will outline the professional experience of the panelists, and open the floor for Q&A's with students and panelists to discuss the challenges, rewards and realities of an international career in the current rapidly shifting global environment.
- For registration and more information, please visit: learninginmotion.uvic.ca
- Questions: Christopher Brown (racbrown@uvic.ca) or Kate Siemens (commcoop@uvic.ca).

Tea with Becky Wigen...

Thursday, October 22nd, 2015

COR B250

Drop in between 11:30 – 12:30

- Come meet with a faculty member outside the classroom and office hour settings. Come hear the stories of how individual faculty became anthropologists: What was their route here? Where is their research taking them? What advice do they have for you? What stories do you have to tell?
- This month, please join [Becky Wigen](#) (ANTH Senior Lab Instructor, co-undergraduate advisor and [Pacific ID](#) lab co-founder/manager) and other ANTH students in a relaxed conversation over coffee, tea and cookies and find out how Becky became a faunal archaeologist.

In the news...

Fishing for the first Americans: Quentin Mackie, Daryl Fedje and Duncan McLaren

- Nature has a story about archaeology "moving underwater and along riverbanks to find clues left by the people who colonized the 'New World.'" Dr. Quentin Mackie comments on the momentum building to find those earliest settlers. The discovery by Daryl Fedje and Duncan McLaren, which received worldwide media attention last season, is also mentioned in this coverage. [Nature](#)
