In the news...

Dr. Erin McGuire's blog on teaching... Making Knowledge Stick: Virtual Badges and Real Life Stickers

- [Dr. Erin McGuire](#) (Assistant Teaching Professor in Anthropology) is blogging on anthropology, teaching and archaeology. Her other passions are medieval and Viking studies. [Check](#) out her latest blog on her way of rewarding her students...

Dr. Lisa Gould: National Geographic article on lemurs

- New research indicates that a substantial number of tourist lodgings in Madagascar offer up lemurs, some critically endangered, as entertainment for guests. Keeping lemurs without a permit—which very few hotels obtain—violates Malagasy law. Dr. Lisa Gould is quoted in this *National Geographic* story. Read the article [here](#).

For more news and events please check out our News and Events [website](#) or our [Facebook page](#).

Miscellaneous

Ethnography of Waste

- Explore factors that contribute to food loss and waste on the farm and the diversity of challenges faced by a Gozitan farmer (Malta).
