## There is Truth Here: Creativity and Resilience in Children's Art from Indian Residential and Day Schools

Open now till January 6<sup>th</sup> 2018

[Legacy Downtown](#) - 630 Yates St.

- Guest curated by Dr. Andrea N. Walsh, Anthropology, University of Victoria
- The first person perspectives of Survivors and former students, their families, and communities are told via children's creativity to bring a multi-generational perspective on the lives of children in the schools. The exhibition explores the common thread of historical resilience in the creation of the artworks, and speaks to the importance of the art today as nodes of healing and resurgence.
