### Culturally Modified – online journal of cultural resource management

"We are the voice of the culturally modified: those who carry the stamp of their people, their environment and their experiences. We bear witness to shifting landscapes and the scars left by civilizations, both past and present. We represent culture, in all its beautiful and occasionally unflattering forms. Culture leaves its imprint on everything; we're here to reflect it back to you, the reader, through the diverse voices of our region and beyond."
