1) Apply & Get accepted into the field school (applications due at the latest by March 1st)

Acceptance into the field school is **the first step in the process of registering.**

2) Apply for admission to UVic

Once you have been accepted into the field school, please contact UVic's Office of the Registrar (OREG). You first need to be admitted to UVic before our department can register you in the specific anthropology course. Please direct questions to OREG about the exact tuition cost and registration requirements:

- **Admission** questions: 1-250-721-8121
- **Tuition** questions: 250-721-7032 or 1-800-663-5260

The admission procedure can take considerably more time for non-UVic students, so please plan accordingly.

There are few different categories of applicants – more information here, but again, OREG is the place to check which category works best for your situation:
