SESSIONAL LECTURER POSITIONS (PART-TIME)
CUPE 4163, Component 3

WINTER SESSION

The Department of Economics invites expressions of interest from qualified instructors who are interested in teaching one or more undergraduate courses during Winter Session 2018-19.

The normal minimum qualification for teaching at this level is a doctorate in economics; however, PhD candidates will also be considered and in exceptional circumstances, a person with an MA in economics and relevant post-secondary teaching experience may be considered for an introductory course.

The department’s instructional needs change each term. We expect to hire one sessional lecturer for each of the course sections listed; however, these courses are subject to change based on enrollment and teaching needs.
