INVESTMENT MANAGEMENT DISCOVERY PROGRAM
bcIMC & Women in Capital Markets 2018 STEM Summer Internship

bcIMC has partnered with Women in Capital Markets to offer a Women’s Summer Internship program. We are looking for highly motivated female students in an Undergraduate or Graduate-level STEM (Science, Technology, Engineering, Mathematics) or Statistics program, with a strong interest in finance.

Internships are available in the following area:
PUBLIC EQUITIES

DURING THE 4-MONTH INTERNSHIP, YOU CAN LOOK FORWARD TO:

- **Excellent training and mentorship** to develop and enhance finance and investment knowledge, provided by world-class experts
- **Exposure to different investment areas** of quantitative research and analysts within public equities
- **Hands-on, challenging projects** with the support required to help you succeed
- **Time to connect and build your network** with bcIMC professionals

“This is where incredible people work. Because the culture of bcIMC is low profile, there are humble people that work here but with very powerful roles and responsibilities. Do the research and make those key connections with anyone who is part of this corporation. bcIMC is the perfect workplace to equip you with the skills and experience to progress your career.”

- Tamiko Sianen, Co-op Student, Bachelor of Commerce, UVIC
