EVALUATION

Midterm Exam (Feb 20) 15%
Final Exam (during exam period) 25%
Lab Assignments 30%
Final Project 30%

Exams will be a mix of multiple choice and written questions. All lecture material and additional resources provided via Brightspace will be included on the exams. The final exam will be comprehensive but will be more heavily weighted on the material covered after the midterm. If you miss the midterm exam for an approved reason, the weight of the midterm will likely be added to the final exam, however you will be given an opportunity to write the midterm for practice and feedback.

Additional information about the evaluation components (e.g final project, lab assignments and schedule) can be found on Brightspace.

REQUIRED TEXTS

There is no required textbook for this class. I will post to BrightSpace links to readings or other media these are required and will be included on the midterm and final exam.

POLICY ON LATE OR MISSED ASSIGNMENTS/EXAMS

Assignments are due before the start of your scheduled lab time. Late assignments and/or project work will be penalized 20% per day. Exceptions will only be granted for medical or compassionate reasons. Only the course instructor can grant exceptions. When contacting me please let me know what lab section you are in. I will need to notify your TA if an exception is granted.

Exams can only be missed for medical or compassionate reasons. Only the course instructor can grant exception. If an exception is granted, the student may be provided at alternate date/time to write the exam. If this date/time is not agreeable for whatever reason the weight of the missed evaluation component will be added to the final exam. If you miss a final exam (regardless of the reason and want the chance to write) you must apply for a Request for Academic Concession through the registrar’s office (https://www.uvic.ca/students/academics/academic-concessions-accommodations/request-for-academic-concession/index.php).
Conflicts with work, holidays or travel plans are not considered an acceptable reason to apply for a deferred assignment or project extension or miss an exam.

POLICY ON ATTENDANCE

Attendance is expected for lectures and lab assignment work periods. Recordings of lecture material or laboratory introductions are not provided. Some lab assignments are due in the work period block and not attending would result in an incomplete and ‘N’ grade in the course.

ADDITIONAL IMPORTANT COURSE POLICIES

Students must complete all evaluation components to obtain credit. Failure to complete an any lab or midterm/final exam evaluation components without permission from the instructor, will result in an ‘N’ grade, which equals a Grade Point Value of 0.

As an Instructor, I can refuse a student admission to a lecture, laboratory, learning activity or exam because of lateness, misconduct, inattention or failure to meet the responsibilities of the course. Students who neglect their academic work may be assigned a final grade of ‘N’ (which equals a Grade Point Value of 0) or debarred from final examinations. Please refer to the UVic academic calendar in the section on student academic conduct for further information.

Unless otherwise stated students are expected to complete assignments and quizzes independently.

ACADEMIC INTEGRITY

It is every student’s responsibility to be aware of the university’s policies on academic integrity, including policies on cheating, plagiarism, unauthorized use of an editor, multiple submission, and aiding others to cheat.

Policy on Academic Integrity: web.uvic.ca/calendar/undergrad/info/regulations/academic-integrity.html

If you have any questions or doubts, talk to me, your course instructor. For more information, see uvic.ca/learningandteaching/cac/index.php.

ACCESSIBILITY

Students with diverse learning styles and needs are welcome in this course. In particular, if you have a documented disability or health consideration that may require accommodations, please feel free to approach me and/or the Centre for Accessible Learning (CAL) as soon as possible (uvic.ca/services/cal/). The CAL staff is available by appointment to assess specific needs, provide referrals, and arrange appropriate accommodations. The sooner you let us know your needs, the quicker we can assist you in achieving your learning goals in this course.

POSITIVITY AND SAFETY

The University of Victoria is committed to promoting, providing and protecting a positive and safe learning and working environment for all its members. To ensure that all class members feel welcomed and equally able to contribute to class discussions, we will all endeavor to be respectful in our language, our examples,
and the manner in which we conduct our discussions and group work. If you have any concerns about the climate of the class, please contact me.

SEXUALIZED VIOLENCE PREVENTION AND RESPONSE AT UVIC

UVic takes sexualized violence seriously, and has raised the bar for what is considered acceptable behaviour. We encourage students to learn more about how the university defines sexualized violence and its overall approach by visiting uvic.ca/svp. If you or someone you know has been impacted by sexualized violence and needs information, advice, and/or support please contact the sexualized violence resource office in Equity and Human Rights (EQHR). Whether or not you have been directly impacted, if you want to take part in the important prevention work taking place on campus, you can also reach out:

RESOURCES FOR INTERNATIONAL STUDENTS

The University of Victoria offers a number of resources to support international students as they pursue their studies. UVic’s International Centre for Students is the primary office supporting international students on campus at the university-wide level and provides various supportive program through the UVic Global Community Initiative, including a Mentorship Program and Conversation Partner Program. For academic advising-related questions, students in the Geography Department are also encouraged to meet with the Geography Undergraduate Advisor (geogadvising@uvic.ca) as well as an academic advisor in the Academic Advising Centre early in their studies to help map out a plan to declare a major and complete university program requirements. Other resources include the Centre for Academic Communication and the Math and Stats Assistance Centre. International students are also encouraged to contact the International Student Liaison in Geography (Prof. CindyAnn Rose-Redwood, cindyann@uvic.ca), who can assist in making connections with other international and domestic students in the Geography Department and share opportunities for getting involved in departmental activities more broadly.

COURSE EXPERIENCE SURVEY (CES)

I value your feedback on this course. Towards the end of term, as in all other courses at UVic, you will have the opportunity to complete an anonymous survey regarding your learning experience (CES). The survey is vital to providing feedback to me regarding the course and my teaching, as well as to help the department improve the overall program for students in the future. The survey is accessed online and can be done on your laptop, tablet, or mobile device. I will remind you and provide you with more detailed information nearer the time but please be thinking about this important activity during the course.

DISCLAIMER

The above schedule, policies, procedures, and assignments in this course are subject to change in the event of extenuating circumstances.
NOTE:

A note to remind you to take care of yourself. Do your best to maintain a healthy lifestyle this semester by eating well, exercising, getting enough sleep and taking some time to relax.
