GEOG 457
Marine Protected Areas (MPAs)
January – April, 2018

Instructor: Charlie Short
Email: Charles.short@gov.bc.ca
Office Hours: Thursdays 5pm – 6pm | Location: TBD

Class Schedule: Thursdays 6:30pm - 9:20pm | Clearihue Building C115 | Jan 4th – April 6th, 2018

Course Description
This class will focus on many elements inherent in marine protected area (MPA) design, governance, implementation, management, compliance and monitoring. The course will cover foundational topics like ecosystem-based management and key ecological, socio-economic and cultural considerations in the broader field of marine conservation. The emerging field of marine spatial planning will also be examined in relation to MPAs. There will be a focus on the Canadian context and on temperate MPAs in British Columbia specifically - international examples will also be drawn upon where applicable.

Course Format
This will be a lecture and seminar style class. Students will be expected to engage in discussions on select topics. A field trip may be possible to local sites.

Course Evaluation
Students will be expected to carry out a variety of exercises including presentations, short papers, exams, and participate in class discussions. There is no required textbook for this class. Selected course readings will be assigned during term.

1. Mid-Term Exam 20 February 22nd, 2018
2. Writing assignment 35 March 29th, 2018
3. Presentations / Written 35 March 1st – March 22nd, 2018
4. Participation 10

Final 100
**Learning outcomes**

At the end of the course, students will:

- Connect core principles in ecological and coastal zone management theory to practice;
- Understand MPA theory and management from an applied perspective;
- Be familiar with the variety of MPA applications and why they may differ from place to place;
- Understand the variety of tools and techniques used in the design and management of MPAs and be familiar with their strengths and weaknesses;
- Hone their critical thinking, written and verbal communication skills through course assignments;
