

SHORT CURRICULUM VITAE

Dr. Philip Dearden
profdearden@gmail.com

Education: BA (Hons) University of Birmingham 1973, MSc Memorial University of Newfoundland 1975, PhD University of Victoria 1978.

Position: Emeritus Professor, Department of Geography, University of Victoria, Victoria, BC

Specialisation: Environment and conservation with particular emphasis on protected areas, especially in marine ecosystems. Incentive and community-based conservation. Southeast Asia, Africa.

Selected Appointments: Member, World Parks Commission, IUCN; Member, Species Survival Commission, IUCN; Member, IUCN Commission on Environmental, Economic and Social Policy; Member, IUCN Task Force on Marine Mammals and Protected Areas; Fellow, Royal Geographical Society; Fellow, Royal Canadian Geographical Society; Leader, Watershed Management Team, University of Victoria-Chiang Mai University CIDA Linkage; Senior Environmental Advisor, National Economic and Social Development Board, Government of Thailand; Chief Technical Advisor, Cardamom Mountains Conservation Project, Government of Cambodia; Visiting Scholar, Hebrew University; Chapter Chair, National Trustee, Trustee Emeritus, Canadian Parks and Wilderness Society; Board Member, Living Oceans Society; Chair, National MPA Working Group, Ocean Management Research Network; Co-Chair, Parks Canada National Marine Conservation Area Science Advisory Group; College of Reviewers, Canada Research Chairs; SSHRC National Adjudication Committee, Interdisciplinary Studies, Expert Adviser, Office of the Attorney General of Canada; Chair, Department of Geography, University of Victoria; Advisor, FFI, Myanmar.

Selected Awards: UVic Alumni Teaching Excellence Award (1997), Macleans UVic Popular Professor (2004), University of Victoria's "Hot-Shot Professor" (Globe and Mail 2013). William C. Wonders Award for Scholarly Distinction in Geography (2014), Canadian Association of Geographer Award for Scholarly Distinction (2016).

Selected Keynote Addresses: Annual Conference German Speaking Society for Canadian Studies, Bavaria, Germany (2005); International Conference on Ecotourism: Concept, Design and Strategy, Bangkok (2005); Australian National Wildlife Tourism Conference. Freemantle, (2006); Canadian Parks for Tomorrow: 40th Anniversary Conference, Calgary (2008); Tropical Forestry Change in a Changing World, Bangkok (2008), World Ecotourism Conference, Cebu, Philippines (2014), Vancouver Regional Parks 50th Anniversary Celebration (2017),

Supervision: 36 PhDs, 48 MSc/MA

Selected Publications: Over 10,000 citations and 320 publications including:
