

Volume 28 Trade Opportunities: Saskatchewan/Canada – Shandong/China

edited by
Edmund H. Dale

This volume discusses current and future trade between Canada and The People's Republic of China, with special emphasis on links between Saskatchewan and Shandong. Numerous relevant topics are discussed by both Canadian and Chinese authors. These include the decision-making processes and administrative structures in Canada and China; trade in agricultural products, potash, telecommunications and computers. Foreign investment, industrial development, and technology transfer also are discussed in detail.
