

Candidacy Examination Plan

This form is to be completed by the student and the student's supervisor and submitted to the Graduate Advisor prior to beginning the candidacy examination. This plan should also be circulated to all members of the supervisory committee at least one month prior to the scheduled examination. A copy of this form is to be provided to the student and will be kept in the student's departmental file. Exams must be completed within 3 years of the start of the PhD and no more than 6 months should elapse between the writing of the two exams.

Student's name & student #: _____

Date of entry into the PhD program: _____

Program (e.g., CaBS, LS): _____

Name of Supervisor: _____
