Donor award descriptions 2017

Psychology Awards:

B.C. PSYCHOLOGICAL ASSOCIATION CERTIFICATE AWARD - This award is given to an outstanding graduate student graduating with an MA or PhD from the Department of Psychology. Selection of the recipient is made by the Graduate Admissions and Awards Committee on the recommendation of the Department of Psychology. [Part of the award is a certificate to a workshop offered by the BCPA, hence this award is most suitable for a clinical student.]

THE ARTHUR LESTER BENTON AWARD - One award is made annually to a graduate student or students in Psychology in the field of Neuropsychology. Selection of the recipient(s) will be made by the Graduate Admissions and Awards Committee upon the recommendation of the Department of Psychology.

W.H. GADDES SCHOLARSHIP - A scholarship of at least $2,000 is awarded to an outstanding student pursuing graduate studies in the Department of Psychology. Preference will be given to a student studying the physiological and psychological bases of human development, and whose research interests and professional activities stress the functional relationships of these two sources of human behaviour. It is expected that the student’s work will increase the possibility of new knowledge regarding the interaction of these two areas of study. Selection will be made by the Graduate Admissions and Awards Committee upon the recommendation of the Department of Psychology.

R.B. MAY SCHOLARSHIP - A scholarship of $925 is awarded to a full-time graduate student entering the second or subsequent year of study in the Department of Psychology. Selection of the recipient will be made by the Graduate Admissions and Awards Committee upon the recommendation of the Department of Psychology.

DR. ROBERT MICHAEL PEET GRADUATE SCHOLARSHIP - A scholarship of $2000 is awarded annually to a graduate student in the Department of Psychology, whose focus of study is in the area of clinical neuropsychology. Selection of the recipient will be made by the Graduate Admissions and Awards Committee upon the recommendation of the Department of Psychology.

THE ROBERT, DAVID AND DOUGLAS VICKERY GRADUATE AWARD - An award will be given to a student studying Schizophrenia or other forms of psychopathology. Selection will be made by the Graduate Admissions and Awards Committee upon the recommendation of the Department of Psychology.

NORMA M. WILSON GRADUATE SCHOLARSHIP - One or more scholarships are awarded to outstanding graduate students in the Department of Psychology. Selection of the recipients will be made by the Faculty of Graduate Studies Admissions and Awards Committee upon the recommendation of the Department of Psychology.

Uvic Awards: (1 page CV and unofficial transcript of most recent coursework required)

ALBERT HUNG CHAO HONG SCHOLARSHIPS - One or more scholarships based on academic excellence are awarded to undergraduate and graduate students attending the University of Victoria who are citizens of Hong Kong or Mainland China.

GENERAL GRADUATE SCHOLARSHIPS - One or more scholarships are awarded to outstanding graduate students entering or continuing in the Faculty of Graduate Studies. Selection of the recipients will be made by the Admissions and Awards Committee of the Faculty of Graduate Studies.

THE MRS ANNIE GRESKIW GRADUATE AWARD - An award is made annually to a highly qualified Master's or Doctoral student doing thesis research on a health related subject. The award may be held concurrently with a major award such as NSERC, SSHRC, or a University of Victoria Fellowship. Selection of the recipients will be made by the Graduate Faculty Awards Committee, on the recommendation of the Dean of the relevant Faculty.

THE RAY HADFIELD MEMORIAL FELLOWSHIP - Annual income from an endowment fund created by the Hadfield family may be awarded to a graduate student whose project, thesis, or dissertation is related to research or treatment of rheumatic diseases. The list of departments or schools from which nominations may come includes, but is not limited to: Biochemistry; Microbiology; Mechanical Engineering; Nursing; Physical Education; Psychology; Public Administration; Social Work. Nominations will be requested from relevant departments. Selection will be made by the Graduate Admissions and Awards Committee in consultation with the Arthritis Society.

THE MARTLET CHAPTER IODE GRADUATE SCHOLARSHIP FOR WOMEN - A Scholarship to the value of $375 will be awarded to a woman student with high standing who is entering the second year of a Master's program.

HOWARD E. PETCH AND DAVID F. STRONG RESEARCH SCHOLARSHIPS - Seven Howard E. Petch Research Scholarships and one David F. Strong Scholarship of $7500 each will be available to graduate students who have been successful in receiving University of Victoria Fellowships or major Canadian national awards valued between $15,000 and $25,000 for 15/16 academic year. These top-up awards are tenable for one year only.

CASSELS SHAW GRADUATE FELLOWSHIP. One or more fellowships each year will be awarded to outstanding graduate students, entering or continuing in the Faculty of Graduate Studies. The recipient will be selected on the basis of high academic achievement and demonstrated financial need. Students must be nominated by their academic department, and complete a budget assessment form (extra form attached). Selection of the recipient will be made by the Graduate Awards Committee of the Faculty of Graduate Studies.

DR. JULIUS SCHLEICHER GRADUATE SCHOLARSHIP. One or more scholarships are given to highly qualified male graduate students in either the Faculty of Law or in one of the disciplines forming part of pre-medical studies such as Biochemistry/Microbiology, Biology or Chemistry. It includes Psychology. Selection will be made by the Graduate Awards Committee upon the recommendation of the appropriate departments.
EDYTHE HEMBROFF-SCHLEICHER SCHOLARSHIP. One or more scholarships are awarded for undergraduate or graduate female students registered in pre-medicine disciplines such as biochemistry/microbiology, biology or chemistry who show exceptional promise and who show firm intentions to continue on to medical school. It includes Psychology. Selection of the graduate recipients will be made by the Graduate Awards Committee upon the recommendation of the appropriate departments. Selection of the undergraduate students will be made by the Senate Committee on Awards.
