## Division of Student Affairs Executive and Division of Student Affairs Council

### TERMS OF REFERENCE

**COUNCIL MANDATE**

The roles and responsibility of Student Affairs Council is to provide advice and recommendations to the AVP Student Affairs and all members of the Executive on key issues facing the Division. Student Affairs council will encourage communication and participation amongst all staff around key issues of importance for the Division and the institution as a whole. It will provide an opportunity to share critical information and successes, to offer feedback and ideas around new initiatives and projects, operational matters and to better understand the key priorities and challenges of all departments within the Division of Student Affairs.

**EXECUTIVE MANDATE**

The mandate of the Student Affairs Executive is to provide leadership to over 600 staff and strategic direction in regards to the planning, operations, and functions of the 6 Departments and associated reporting units within the Division of Student Affairs. Student Affairs Executive members model student affairs values, represent the interests of the Division as a whole, work together with academic leaders to transform students’ lives and support the development of strong collaborative relationships across the University.

The Student Affairs Executive will provide advice and recommendations to the Associate Vice-President Student Affairs on resource allocation, new program/project development, and recommendations regarding existing programs and projects in the portfolio of the AVP Student Affairs.

### COUNCIL OPERATING PRINCIPLES

The Student Affairs Council is committed to developing and implementing the overall vision, purpose, values and strategies of Student Affairs.

In both giving advice and in making recommendations related to Student Affairs projects, programs and resource allocation, the following critical objectives will be reinforced:

- Support student recruitment, retention and engagement both in and out of the classroom
- Ensure opportunities for staff growth and development
- Be leaders in collaboration and in providing outstanding service
- Use research and assessment to inform and influence decision making
- Be effective stewards of institutional resources
- Support diversity and access

### EXECUTIVE OPERATING PRINCIPLES

The Student Affairs Executive is committed to the overall vision, purpose, values and strategies of Student Affairs.

In both giving advice and in making recommendations related to Student Affairs operations and services, projects, programs and resource allocation, the following critical objectives will be reinforced:

- Support student recruitment, retention and engagement both in and out of the classroom
- Ensure opportunities for staff growth and development
- Be leaders in collaboration and the provision of outstanding service
- Use contemporary research, assessment practices and technology to guide the development of our services and programs
- Be effective stewards of institutional resources
- Support diversity and access

### Council Responsibilities

The Student Affairs Council will review and make recommendations, provide advice and guidance, and work collaboratively on programs and projects to further the vision, mission and goals of Student Affairs and the greater University.

To do this, the Student Affairs Council will:

1. Actively participate in committee meetings and group

### Executive Responsibilities

The Student Affairs Executive will review the operations and establish mechanisms for the effective management and development of all programs and projects that are part of the portfolio of the Associate Vice-President Student Affairs. The Student Affairs Executive may also recommend that programs and projects be initiated and studies conducted to ensure the overall effectiveness and efficiency of the Division of Student Affairs.

March 2015
work.

2. Identify, recommend, and engage in strategies for the management of key opportunities and risks to the operations and programs to support Student Affairs.

3. Provide advice around key issues related to Student Affairs.

4. Evaluate, revise and refine its mandate and terms of reference on a biennial basis and propose changes to the Student Affairs Executive.

5. Take ownership on disseminating key Council, Executive and Institutional messages and activities to all staff in their respective teams.

To do this, the Student Affairs Executive will:

1. Identify, assess and recommend strategies for the management of key opportunities and risks to the operations, services and programs on the portfolio of the AVP Student Affairs.

2. Make recommendations on the development and maintenance of processes for the planning, approval, utilization and monitoring of the resources managed across the Division.

3. Stand ready to offer counsel and advice to the AVP Student Affairs on any other matters, as requested.

4. Evaluate, revise and refine its mandate and Terms of Reference at least annually and propose changes to the AVP Student Affairs and the Student Affairs Council for approval.

5. Provide a process for the development, consideration, planning, coordination and implementation of proposals for projects and studies originating from any and all members of the Student Affairs Council.
