

Together, we transform students' lives.

The Division of Student Affairs at the University of Victoria is committed to developing a vibrant and engaging learning community that support both the academic and individual success of our students. This overview is intended to provide you with a valuable introduction to the many supports and services this university has to enrich the lives of our graduate and undergraduate students.

Student Affairs is made up of four departments with 26 reporting units that work together to help create an environment in which students are more actively engaged in their academic pursuits and the co-curricular life of the university. From the development of Mystic Market and the Centre for Athletics, Recreation and Special Abilities,

to the Student Mental Health Strategy, the new Office of Student Life, and the introduction of Learning Outcomes and Assessment, each of the units, initiatives, and programs of Student Affairs is developed to help students succeed in their academic and personal pursuits.

Please feel free to contact the individual departments or me directly if you would like more information on Student Affairs at the University of Victoria.

Whether or not you join a team or a fitness class, you are a Vike as soon as you become a member of the UVic community. Vikes Recreation boasts one of the largest and newest fitness centres in Western Canada, the state-of-the-art Centre for Athletics, Recreation and Special Abilities (CARSA). The centre opened in spring 2015, and is designed for all ability levels and fitness goals. Vikes Athletics includes 16 men's and women's varsity teams across 8 sports and boasts 73 Canadian University National Championships. Vikes Athletics and coaches have made over 170 appearances for Canada at either the Olympic or Paralympic Games since 1976. Wear your blue and gold on game days and come out to cheer on tomorrow's international stars right here on campus.
