Although every attempt has been made to ensure that the information on this worksheet is accurate, in the case of any discrepancy the Academic Calendar must be considered the definitive authority.

Program notes

! Please ensure that you have read the **How to Use the Program Planning Worksheets** information page.

Course selection

The University strongly recommends that students in Year One **do not** take 300- or 400-level courses, as low grades will impact your graduating GPA.

Prerequisites

Refer to the course descriptions in the Academic Calendar to ensure that you are taking appropriate prerequisites each year for the courses you plan to take in the following year. Any prerequisites of note are listed under each year below.

Admission

The Child and Youth Care program accepts students in Year One, Year Two and Year Three. Admission requirements for applicants from secondary school are the same as those outlined for the Faculty of Social Sciences. The School of Child and Youth Care offers a number of specialization streams that students may choose as part of their degree. Specializations Streams include: Child Protection, Early Years and Indigenous.

Year One

Program Notes: [1]Students must complete 1.5 units of university level English with a minimum grade of C+.

For those students entering the program in September 2020, they will require one of ATWP 135 (formerly English 135), English 146 or English 147. Students must ensure they meet the University Academic Writing requirement (AWR). If the AWR was granted on admission, an additional 1.5 units toward electives will be required.

Year Three

Program Notes: Students transferring from other colleges or universities must have completed a minimum of 12 units of university transfer courses (second year standing) or a human services diploma from an accredited institution with an overall GPA of B (5.0) or higher. Students accepted to UVic with a human services diploma may be eligible to receive 30 units of block transfer credit upon admission to the School of CYC. This does not include vocational or continuing studies.

Requirements may be waived if equivalent courses have been completed prior to admission to the program. All courses required in the program must be completed with a grade of C+ or above.

If you require further information, please contact the Child and Youth Care Undergraduate Advisor, Kathy Harrison at cycadvising@uvic.ca or (250) 721-7984.

Year Four

Applying for Graduation: In your last year of study, you must submit an application for graduation to Records Services. For application deadlines and convocation details, see www.uvic.ca/graduation.

If your degree requirements are complete, but you have not yet graduated, you may request a Degree Completion Letter from the Registrar's Office.

Graduation Requirements: See How to Use the Program Planning Worksheets for more information.

Student responsibility

You are responsible for the completeness and accuracy of your registration and for determining the requirements of your program at UVic. Attend and submit work only for those courses in which you are registered.

Always read course descriptions before you register to determine if you have the necessary prerequisites, and pay attention to notes on mutually-exclusive and cross-listed courses (pairs of courses in which credit will be awarded for only one).
