PROGRAM & COURSE NOTES

Course requirements with a footnote have associated details listed on the back of this sheet and in the Academic Calendar; consult the program entry for details. It is your responsibility to ensure you are informed about all supplemental information related to courses, as they apply to your program, including prerequisites.

FACULTY & UNIVERSITY REQUIREMENTS

In addition to the listed courses, you must satisfy all requirements for the Faculty of Human and Social Development, as well as complete at least 30 of their minimum 60 required units at UVic. Within these 60 units, 21 units must be upper-level (300/400-level) courses, and 18 of those 21 units must be taken at UVic.

ACADEMIC WRITING REQUIREMENT (AWR)

If you have not already satisfied UVic's Academic Writing Requirement (AWR), you will need to complete one of ENGL135, 146, 147, or another approved course. If you have already satisfied the AWR on admission, you can instead select 1.5 units of electives.

STUDENT RESPONSIBILITIES

You are responsible for the completeness and accuracy of your registration and for determining the requirements of your program.

Always read course descriptions before you register to determine if you have the necessary prerequisites and pay attention to notes on mutually-exclusive and cross-listed courses (pairs of courses in which credit will be awarded for only one option).
