**Program & Course Notes**
Course requirements with an asterisk (*) have associated details listed in the Academic Calendar; consult the program entry for details. It is your responsibility to ensure you are informed about all supplemental information related to courses, as they apply to your program, including prerequisites.

**Faculty & University Requirements**
In addition to the listed courses, you must satisfy all requirements for the Faculty of Science, as well as complete at least 30 of their minimum 60 required units at UVic. Within these 60 units, 21 units must be upper-level (300/400-level) courses, and 18 of those 21 units must be taken at UVic.

**Academic Writing Requirement (AWR)**
If you have not already satisfied UVic’s Academic Writing Requirement (AWR), you will need to complete one of ENGL135, 146, 147, or another approved course. If you have already satisfied the AWR on admission, you can instead select 1.5 units of electives.

**Declaring Your Program**
Students are normally expected to declare their academic program at the end of first year. Visit www.uvic.ca/declareme for more information.
