On the Current students, faculty & staff page click on Sign in to UVic.

You will be redirected to the UVic Sign in Service website located at uvic.ca/cas/login, where you will enter your NetLink ID and password.

A curiosity about the ancient world has taken University of Victoria archaeologist John Oleson (pictured above) from excavating the high Jordanian desert to harnessing the power of a nuclear submarine to scan the bottom of the Mediterranean Sea. His dedication to learning more about life millennia ago has earned him many academic honours and the Royal Society of Canada has just added one more—the 2010 Pierre Chauveau Medal for distinguished contribution to knowledge in the humanities other than Canadian literature and history.
