The best of both worlds
UVic’s perfectly sized campus gives you the close-knit community of a small university with all the opportunities of a big one—where every horizon is within reach.

Physics and Astronomy student Anuska Shrestha (left) and Canadian Institute for Theoretical Astrophysics National Fellow Simon Blouin, PhD, take in the stunning views of Victoria and the evening sky from Mount Tolmie, just a few minutes from campus.
We acknowledge and respect the Ḻək̓ʷəŋən (Songhees and Esquimalt) Peoples on whose territory the university stands, and the Ḻək̓ʷəŋən and WSÁNEĆ Peoples whose historical relationships with the land continue to this day.
Your destination university

A PLACE TO BUILD YOUR NEW COMMUNITY

- 75% of students are from outside the greater Victoria area. You’ll be welcomed into a diverse student body from over 100 nations.
- You’ll be surrounded by students who are new to the area and looking to make friends.

GETTING AROUND

- A 10-minute walk from one end of campus to the other.
- Convenient public transit and bike-friendly routes quickly connect you from campus to downtown.

AN INCREDIBLE WEST-COAST SETTING

- Stunning park-like campus surrounded by forest and a garden oasis.
- A 30-minute walk from campus to the summit of nearby Mount Tolmie for breathtaking 360-degree views of the city.
- Explore the rainforest trails surrounding campus.

75% of students are from outside the greater Victoria area.

10 MIN WALK TO CADBORO BAY BEACH

200+ ACRES OF GREEN SPACE
Study in the world’s best small city: Victoria, BC

- Enjoy morning jogs or leisurely bike rides through Victoria’s eclectic neighbourhoods or the picturesque Inner Harbour.
- Feel the salty sea breeze against your skin and catch amazing sunsets along Dallas Road.
- Get out in the fresh air with year-round outdoor adventures such as rock climbing, surfing and hiking.
- Sample international foods and immerse yourself in a thriving live music scene.
- Take advantage of big-city amenities while enjoying a close-knit community.
- Explore our stunning west coast landscape on the tip of an island. (Vancouver Island is roughly the size of Hawaii or Belgium.)

Why study in Canada?

- An internationally recognized degree from UVic and Canada's top-tier education system opens doors to an abundance of career prospects worldwide.
- Ranked #3 in the world for quality of life due to healthcare, equality, safety and political and economic stability (US News, 2023).
- Post-Graduation Work Permit offers employment opportunities for international students.
- Exceptional value compared to tuition and fees in USA, UK and Australia.

**Ranked #3**
IN THE WORLD FOR QUALITY OF LIFE
(US News, 2023)

**CANADA IS ONE OF THE WORLD’S MOST EDUCATED COUNTRIES**

Test-drive your career with co-operative education

- Ensure your dream job is the right fit and gain real-world experience while still a student.
- Gain up to 16 months of paid work experience and earn around $53,000 during your degree—a great way to offset the cost of your education.
- $3,347 average monthly co-op salary.
- UVic’s co-op program is one of the most successful in Canada and is a key reason why UVic is ranked the #1 comprehensive university in Canada for preparing career-ready graduates (Times Higher Education Global University Employability Ranking 2023-2024).
- Benefit from excellent career support and prospects for a future you care about.
- Co-op opportunities are available locally, nationally and internationally.
- The majority of co-op students receive a job offer before they graduate.
- UVic co-op employers include Tesla, Canadian Space Agency, Meta (Facebook), Warner Brothers, BC Cancer Agency and the United Nations Environment Programme.

Hands-on learning

FIELD SCHOOLS
- Take short-term courses with a small group of students.
- Explore local and global destinations.
- Develop a deeper understanding of your discipline and gain career-relevant skills.
- Gain practical experience outside the classroom to succeed in your future career.

INTERNATIONAL EXCHANGE
- Study at 140+ partner universities worldwide while paying UVic tuition fees.
- Dive into diverse cultures, make new friends and explore awesome destinations.
- Embrace independence and gain invaluable global perspectives in your field.
- Earn credit toward your degree at UVic.

SHAPE THE WORLD WITH RESEARCH
- Study with world-renowned professors, gain hands-on experience and hone your analytical skills.
- Contribute to knowledge and innovation.
- Publish in academic journals and take part in paid research positions.
- Shape the future through your exploration and inquiry.

Athletics and recreation

THE PLACE TO TRAIN
Victoria has ideal weather for year-round training, and UVic has state-of-the-art facilities for international-calibre athletics opportunities. Whether you’re an elite rower, a recreational squash player or a yoga enthusiast, you’re guaranteed to find a way to keep fit on campus.

INTRAMURAL AND RECREATIONAL SPORTS
Being active is a way of life here on the West Coast. UVic offers a variety of intramural options such as pickelball, dodgeball, softball, soccer or ice hockey, and they’re open to on- and off-campus participants. Want something more? Join one of our 30 sport clubs such as sailing, outdoors, triathlon or volleyball. You can also check out a variety of recreation programs that include yoga, TRX, spin classes or martial arts. There’s a place for every level of activity, and you can learn new skills, stay fit and have fun while you’re doing it.

Learn more at vikesrec.ca.

VARSITY ATHLETICS
UVic has one of the most successful university athletics programs in Canada. Vikes varsity teams have amassed 88 national championship titles across 15 teams in eight sports. Sport-specific and general scholarships are awarded each year to athletes based on athletic, academic and leadership criteria.

- Basketball
- Cross-country & track
- Field hockey (women’s)
- Golf
- Rowing
- Rugby
- Soccer
- Swimming

If you’re an athlete interested in playing at the varsity level, make sure to contact the appropriate coach as soon as possible at govikesgo.com/recruits.

Get your cheer on at sports and community events!
You’re in good hands

Transitioning to university life is going to involve some big changes, including finding your independence, making friends, maintaining well-being and keeping on top of academics. No matter who you are, we’re ready to help you thrive from the moment you set foot on campus.

FIRST PEOPLES HOUSE
The First Peoples House is a home-away-from-home for Indigenous students and provides a welcoming, safe space for learning, sharing and community building. It is a social, cultural and academic centre for Indigenous students at UVic. It offers a comfortable study area, computer lab and ceremonial hall for ceremonies, gatherings and events. There is also a special Elders lounge for the Elders in Residence to connect and share teachings and wisdom with the students.

Get all the details on opportunities and support for Indigenous students by downloading our Indigenous Students Viewbook.

INTERNATIONAL CENTRE FOR STUDENTS
If you’re an international student coming to UVic, rest assured we’re dedicated to making your transition to university life in Canada as easy as possible. The International Centre for Students provides comprehensive supports including assistance with immigration, community building, health insurance and helping you thrive in Victoria. uvic.ca/ics

GET HELP PLANNING YOUR DEGREE
Once you’re a UVic student, academic advisors are here to help you match programs and opportunities to your abilities, interests and career goals. They can also provide guidance on academic requirements to help you complete your program.

EMOTIONAL, PHYSICAL AND SPIRITUAL WELLNESS
The Student Wellness Centre is your wellness hub. Speak with a counsellor, doctor, nurse, psychiatrist, chaplain or other health and wellness practitioner. LGBTQIA2S+ students will find gender-affirming care and other supports at the Centre. uvic.ca/student-wellness

SUPPORTS FOR STUDENTS WITH DISABILITIES
Are you a student with a learning disability, ADHD, mental health concern or long-term recurring physical or sensory disability? Do you have a chronic health diagnosis? If you do, and you want to be part of our programs, or need academic accommodations to address barriers to your education, the Centre for Accessible Learning is here for you. uvic.ca/accessible-learning

Designed by Indigenous architect Alfred Waugh, the First Peoples House is located in the heart of campus and features house poles carved by Tsawout artist Doug LaFortune.
UVic's newest student housing and dining buildings have Lək̓ʷəŋən names! We are honoured that Songhees and Esquimalt Nations have given us permission to use these names as a way to bring to life the language and the history of the People and land on which these buildings sit. These new buildings are named: Čeqʷəŋín ʔéʔləŋ (Cheko'nien House) and Sŋéqə ʔéʔləŋ (Sngequ House).
Guaranteed housing for first-year students

We guarantee housing for eligible first-year students who graduate from high school in 2025. We also offer a dedicated number of residence beds to students returning to residence each year.

ARE YOU ELIGIBLE FOR THE FIRST-YEAR RESIDENCE GUARANTEE?

If you’re graduating from high school in 2025, you may be eligible for the first-year residence guarantee. If not, you can apply for the undergraduate residence lottery. Learn more about UVic’s first-year residence guarantee at uvic.ca/residence.

WHEN SHOULD YOU APPLY FOR RESIDENCE?

The residence application opens on February 3 for students starting at UVic in September 2025. You can apply for residence before you’ve received your admission decision.

If you’re a current high school student, the deadline to apply for residence is May 1.

If you’re not a current high school student, the deadline to apply for the undergraduate residence lottery is May 15.

MEAL PLAN

When you move into a dormitory bedroom you automatically receive a residence meal plan. This meal plan is added to your ONECard and has an allotment of money that you can use to easily tap-and-pay for food and beverages in University Food Services dining outlets. uvic.ca/food

(On-campus residence rates based on September to April 2024-25 rates. Rates are quoted in Canadian dollars.)

Home sweet dorm! Your comfortable hub for study, relaxation and friendships.
Scholarships

ENTRANCE SCHOLARSHIPS
As a domestic or international high school student, or a student in an IB program, you are automatically considered for entrance scholarships when you receive a conditional offer based on your in-progress grades. For deadlines, see uvic.ca/entrancescholarships.

SPECIFIC CRITERIA SCHOLARSHIPS
UVic also offers many scholarships based on a combination of admission average and other criteria.

While you do not need to apply for entrance scholarships based on admission average only, you do need to apply for specific criteria scholarships.

Learn how and when to apply for scholarships at uvic.ca/entrancescholarships.

SCHOLARSHIP ELIGIBILITY

Canadian citizens, permanent residents or international students completing a Canadian high school diploma
Scholarships are available to students who meet a minimum admission average of 90% (32 IB points). Special scholarships are available to

- Women or Indigenous students in Engineering and Computer Science (85% or 30 IB points)
- Indigenous students (85% or 30 IB points)

International students completing an international high school diploma
Scholarships are available to students who meet an “A-” admission average (36 IB points). Special scholarships are available to international students completing an IB diploma (32 IB points).

For her fourth co-op work term, Christine Wong Chong (Biomedical Engineering) worked for the Canadian Food Inspection Agency. There she worked on bug fixes on an app that allows lab technicians to detect viruses in plant samples.
Estimated first-year fees

UVic is proud to offer competitive tuition rates that compare favourably with the US, UK, Australia and other top schools in Canada. Our commitment to providing an exceptional educational experience, combined with our renowned reputation, abundant opportunities and stunning location, offers tremendous value for your investment in your future. At UVic, your education is not only enriching but affordable. Learn more about affordability at UVic at uvic.ca/affordability.

* Tuition calculated on eight months of study (five courses per term). Residence and student fees are based on September to April 2024-2025 rates. If you hold Canadian citizenship or are a permanent resident of Canada, you will pay Canadian tuition regardless of where you completed high school. Tuition figures are estimates. Final costs will be determined by your actual registration. Some programs have different tuitions. Please see the tuition and fees schedule at uvic.ca/whatdoesitcost for details. These are only basic budgeting items and do not include additional funds for travel, recreation, clothing and pocket money. All figures may be subject to change. All figures in Canadian dollars.
What do you want to study?

As Canada’s #2 comprehensive university*, UVic pairs its high ranking with an extensive range of programs, offering you unparalleled opportunities for academic excellence and personal growth.

If you don’t know which program you want to study, don’t worry! It’s common for students to spend their first year on campus exploring options across faculties before finding exactly where they fit. All students in the Faculty of Humanities, the Faculty of Science and the Faculty of Social Sciences are “undeclared” in their first year of study and declare their major later. On your application, you must apply to “undeclared” and your chosen faculty.

Applying as an “undeclared” student allows you the flexibility to explore various fields of study in your first year, ensuring a well-rounded educational experience. Rest assured, your first-year courses can count towards your degree, and when you’re ready to declare a major in your second year, our supportive academic advisors will guide you through the process to help you find the perfect fit for your academic and career goals.

  - Supplemental application
- Full diploma with three or more HL subjects including:
  - English at the HL/SL level with a score of at least 3
  - Supplemental application
- Full diploma with three or more HL subjects including:
  - English at the HL/SL level with a score of at least 3
  - Music, Theatre and Visual Arts require supplemental applications

---

*Annual cut-offs vary by program based on capacity. The actual admission average cut-offs change on an annual basis. All GPA values are cumulative unweighted and all IB scores exclude additional points. **See uvic.ca/programs for specific IB math requirements. † Minimum course grade requirements change on an annual basis and meeting the minimum does not guarantee admission.
## Admission requirements: Canada, USA and IB

### BC & YUKON
- Approved English 11
- Pre-calculus 11
- Chemistry 11
- Physics 11
- Approved social studies 11 or 12
- English Studies 12 or English First Peoples 12 with at least 67%
- Pre-calculus 12 with at least 73%
- Calculus 12 or approved science 12
- Approved academic 12 course

### ALBERTA, NORTHWEST TERRITORIES & NUNAVUT
- English Language Arts 20-1
- Mathematics 20-1
- Chemistry 20
- Physics 20
- Approved social studies 20
- English Language Arts 30-1 with at least 67%
- Mathematics 30 with at least 73%
- Mathematics 31 or approved science 30
- Approved academic 30/31 course

### ONTARIO
- Chemistry 3U
- Physics 3U
- English 4U with at least 67%
- Advanced Functions 4U with at least 73%
- Calculus and Vectors 4U or an approved science 4U
- Three additional 4U/4M courses

### USA & AP
- 4 English courses & senior level English with at least a B
- 4 math courses including pre-calculus with at least a B
- 3 approved science courses:
  - one chemistry
  - one physics
  - one approved science course at the senior level
  - At least one of these courses must have a lab component
  - 3 social studies courses

### INTERNATIONAL BACCALAUREATE
- Full diploma with three or more HL subjects:
  - English at the HL/SL level with a score of at least 3
  - Math HL or SL (minimum score of 4**)
  - An approved science subject HL or SL (minimum score of 4)

### ENGINEERING (FACULTY OF ENGINEERING AND COMPUTER SCIENCE)
- Estimated admission average*: Canada 85% USA 3.40 GPA
- IB diploma score 30

### COMPUTER SCIENCE (FACULTY OF ENGINEERING AND COMPUTER SCIENCE)
- Estimated admission average*: Canada 85% USA 3.40 GPA
- IB diploma score 30

### COMPUTER SCIENCE AND HEALTH INFORMATION SCIENCE (FACULTY OF HEALTH)
- Estimated admission average*: Canada 85% USA 3.40 GPA
- IB diploma score 30

---

*Admission requirements:
- Full diploma with three or more HL subjects including:
  - English at the HL/SL level with a score of at least 3
  - Math at the HL/SL level with a score of at least 4**
  - One science course at the HL/SL level

---

If you are from a region not listed here, see uvic.ca/programs.
Grade 11 courses are listed in black; grade 12 courses are listed in blue; supplemental applications are listed in red.

**BC & YUKON**
- Approved English 11
- Pre-calculus 11
- Two of approved science 11, approved language 11, or approved fine arts 11
- Approved social studies 11 or 12
- English Studies 12 or English First Peoples 12 with at least 67%
- Pre-calculus 12 with at least 73%
- Approved academic 12 course
- One additional approved academic 12 or approved fine arts 12 course
  - **Supplemental application**

**ALBERTA, NORTHWEST TERRITORIES & NUNAVUT**
- English Language Arts 20-1
- Mathematics 20-1
- Two of approved science 20, approved second language 20, or approved fine arts 20
- Approved social studies 20
- English Language Arts 30-1 with at least 67%
- Mathematics 30-1 with at least 73%
- Approved academic 30/31 course
- One additional approved academic 30/31 or approved fine arts 30 course
  - **Supplemental application**

**ONTARIO**
- English 4U with at least 67%
- Advanced Functions 4U with at least 73%
- Four additional 4U/M courses
  - **Supplemental application**

**USA & AP**
- 4 English courses including senior-level English with at least a B
- 4 math courses including pre-calculus with at least a B
- 2 science courses
- 3 social studies courses
- 2 language courses or 1 language course and 1 fine arts course
  - **Supplemental application**

**INTERNATIONAL BACCALAUREATE**
- Full diploma with three or more HL subjects including:
  - English at the HL/SL level with a score of at least 3
  - Math at the HL/SL level with a score of at least 4**
  - **Supplemental application**

*Annual cut-off vary by program based on capacity. The actual admission average cut-offs change on an annual basis.<br> †Minimum course grade requirements change on an annual basis and meeting the minimum does not guarantee admission.
English language proficiency requirement

All applicants must meet UVic’s English language proficiency requirement. There are several ways you can satisfy this requirement, including:

- Four years of full-time secondary and/or post-secondary academic studies within Canada or in a recognized English-speaking country.
- Completion of Grade 12 English or its equivalent in Canada with a final grade of 86% or higher within the last three years prior to admission.
- Score of 4 or higher on IB Higher Level English A.
- Score of 4 or higher on the Advanced Placement English Language and Composition Exam.
- British curriculum: minimum C in A-Level English.
- Sufficient score on an approved language-proficiency test (see below).

If you meet the English language proficiency requirement, you can apply for degree programs.

Learn about conditional admission at [uvic.ca/enpr](http://uvic.ca/enpr). If you want to start your UVic degree but still need to meet UVic’s English language requirement, consider UVic’s University Pathway Program. [uvic.ca/pathway](http://uvic.ca/pathway)
Transfer credit

UVic recognizes your academic success with one of the most generous transfer credit programs in Canada—putting you one step closer to your post-secondary goals before you even get here.

INTERNATIONAL BACCALAUREATE (IB)
If you complete the full IB diploma with minimum subject scores, you’ll earn up to one year of transfer credit. If you aren’t completing a full IB diploma but are admissible based on another curriculum, your points can still count.

We offer course-by-course transfer credit assessment for each Higher-Level course completed with the minimum score (typically 4 or 5 depending on the course).

See how your IB courses transfer to UVic

ADVANCED PLACEMENT (AP)
We offer course-by-course transfer credit assessment for each Advanced Placement exam completed with the minimum grade (typically 4 or 5 depending on the course).

The most up-to-date information on how IB and AP courses transfer is available in the BC Transfer Guide at bctransferguide.ca.

ALL STUDENTS
If you’ve completed any post-secondary courses, you’re eligible to be assessed for transfer credit. Submit your transcripts and we will determine transfer credit on a course-by-course basis.

Hands-on learning is a great way to explore ideas and get new perspectives. It also helps you to think for yourself, retain information and boost your academic success. UVic offers hands-on learning across all disciplines. Learn more about hands-on learning on page 9.
Applying to UVic is easy

Once you’ve set up your EducationPlannerBC profile, your UVic application should take about 10 minutes to complete and submit. If your program requires supplemental information such as a portfolio, essay or an audition, it will take longer. You do not need to submit your grades when you submit your application. Submitting your grades is a separate step you will do later.

1. **Review admission requirements**

Find out what is required for admission to your program. See pages 18 to 25 or visit uvic.ca/programs.

2. **Submit your application**

1. Start your application in EducationPlanner BC as early as possible. You can save it and submit it by the deadline. uvic.ca/apply
2. Add @uvic.ca to your safe-senders list to ensure that you receive emails from UVic.
3. Prepare your supplemental application (if required) and submit it by your program’s supplemental application deadline. Some programs require you to upload your supplemental information at the time of application. uvic.ca/programs
4. Submit your application and pay the application fee online by credit card.
5. Receive a confirmation email with your UVic student number and next steps on how to submit required documents.

3. **Check your email for instructions from Undergraduate Admissions**

1. Receive a confirmation email with your UVic student number. You will use this number to create your NetLink ID. uvic.ca/netlink
2. Receive an introductory email from your UVic admission assistant with instructions on how to access the UVic application portal. Use your NetLink ID to log in to the application portal to submit your grades and other required documents. You should receive these emails within two weeks of your application.

4. **Submit your interim grades and other required documents**

- If you’re a student in the BC curriculum, you must order your transcript through StudentTranscripts Service (STS) at the Ministry of Education website as soon as you apply. Choose the default option that allows updates for one year.
- If you’re studying at a high school in Canada other than in BC, or at a Canadian-curriculum high school outside of Canada, you must self-report your interim grades or predicted IB scores via the link on your checklist in the UVic application portal.
- If you’re studying at an international high school, you can upload your in-progress transcript showing your grades and/or predicted marks via the link in the UVic application portal. Instructions will be provided after you apply.
- If you’re a high school graduate, arrange to have your official transcript sent directly to UVic. uvic.ca/finalgrades
- If required, submit proof of English-language proficiency. uvic.ca/enpr

5. **Accept your admission offer and submit final grades**

1. Follow the instructions in your admission offer email. You must also submit your acceptance deposit by the deadline specified. The acceptance deposit is non-refundable and non-transferable.
2. After five business days have passed, confirm that UVic has received your acceptance deposit by logging into your online tools and viewing your account balance. Some international bank transfers may take longer to process. uvic.ca/accountsummary
3. Send an official transcript with your final grades plus any other requested documents by the deadline specified in your admission offer. uvic.ca/finalgrades

- If you’re a current BC high school student, we will obtain your final grades automatically as long as you keep the default one-year authorization date when you order your transcript through StudentTranscripts Service (STS).
- If you’re a current Ontario high school student, you do not need to send official transcripts if you provide your OUAC number when you submit your application.
