UVic is committed to creating better opportunities for Indigenous students, strengthening respectful partnerships with Indigenous communities and encouraging everyone to be a part of a shared vision for the future as part of our ongoing commitment to the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP) and the Declaration on the Rights of Indigenous Peoples Act (DRIPA).

Local First Nations communities have given us permission to use the following teachings and carry them with us in our work. We invite you to reflect on these teachings as you explore the next step of your educational journey.

We acknowledge and respect the Lək̓ʷəŋən peoples on whose territory the university stands and the Songhees, Esquimalt and WSÁNEĆ peoples whose historical relationships with the land continue to this day.
A pretty incredible place.

The first thing you might notice is that UVic is a beautiful place. Close to old growth forests and ocean, with a climate unlike anywhere else in Canada, we find inspiration in our surroundings every day. But we’re more than just a pretty place.

Here, you’ll find connection. You’ll find learning that aligns with your values, people who uplift you and a community that welcomes you. You’ll find balance as you make life-long friends, explore your surroundings and carve a path toward a successful future. **Pretty incredible, indeed.**

“I have a passion for facts and I want to be part of creating a better future. I came to UVic to further my knowledge and expand my perspective. I plan to use what I’m good at—and passionate about—to help change the world.”

No other city is like Victoria

Located on the southern tip of Vancouver Island, Victoria is a modern capital widely regarded as being one of the most livable cities on the planet. Renowned for its relaxed lifestyle and distinctive neighbourhoods, it’s easy to find your place here.

- Rock climbing, hiking, surfing, mountain biking, paddle boarding and kayaking available year-round.
- “A thriving culture full of incredible food, beautiful landscapes and a booming music scene.” *(Rolling Stone)*
- 20 km (12 miles) of oceanside walkways and over 775 km (481 miles) of bike trails and stunning natural beauty.
- Big-city amenities with a friendly small-town feel.

Why study in Canada?

- Employers around the world recognize graduates who have a Canadian university degree. This can lead to better career opportunities when you return to your home country.
- Canada is the world’s most educated country *(World Population Review)*. With one of the best education systems on the planet, Canada offers high quality degrees that are recognized by employers worldwide.
- Canada is ranked the #3 country in the world for quality of life due to safety, health care, political and economic stability and a strong job market. *(US News)*
- Canada’s Post-Graduation Work Permit is a pathway to working in Canada and potentially becoming a permanent resident.
Get hands-on experience

At UVic, learning happens everywhere. Beyond the lecture halls, you’ll have opportunities to deepen your understanding of real-world issues and develop skills that will give you an advantage in your future career.

What hands-on learning will you do?

- Co-op: paid work related to your area of study
- Exchange: do a term of your program at an international partner university
- Practicum: put your learning to work in a real-life setting
- Field school: take short-term courses with a small group of students, often in another part of the world
- Research: investigate a problem or subject to discover something new
- Performance: perform a concert or stage a show in front of a live audience
- Labs: conduct experiments and apply your skills in a small group setting

Over 1,280 employers worldwide have hired UVic students including

- Meta
- Canadian Space Agency
- Warner Brothers
- BC Cancer Agency
- Disney Interactive Studios
- United Nations Environment Program
- Rocket Lab
Test-drive your career with co-operative education

What if you could take what you love learning in class and try it out in the workplace before you graduate?

At UVic, co-operative education—also known as co-op—helps you make sure your dream job is a good fit and you gain real-world experience while you’re still a student.

Sample UVic co-op schedule

Alternate terms in school with terms in a job related to your program.

The majority of co-op students receive a job offer before they graduate. Learn more at uvic.ca/coop.
Athletics and recreation

Whether you compete as a varsity athlete, participate in Vikes recreation or join a club, you’ll find plenty of activities to enrich your university life.

The place to train

Victoria has ideal weather for year-round training, and UVic has state-of-the-art facilities for international-calibre athletics opportunities. Whether you’re an elite rower, a recreational squash player or a yoga enthusiast, you’re guaranteed to find a way to keep fit on campus.

Varsity athletics

UVic has one of the most successful university athletics programs in Canada. Vikes varsity teams have amassed 85 national championship titles across its 15 teams in eight sports. Sport-specific and general scholarships are awarded each year to athletes based on athletic, academic and leadership criteria.

- Basketball
- Cross-country & track
- Women’s field hockey
- Golf
- Rowing
- Rugby
- Soccer
- Swimming

If you’re an athlete interested in playing at the varsity level, make sure to contact the appropriate coach as soon as possible at govikesgo.com/recruits.
Intramural and recreational sports

Being active is a way of life here on the West Coast. Vikes Wellness, Recreation and Athletics offers a variety of intramural options like ball hockey, dodgeball, softball, soccer or ice hockey, and they’re open to on- and off-campus participants. Want something more? Join one of our 30 sport clubs such as squash, outdoors, kayak or artistic swimming. You can also check out a variety of recreation programs that include yoga, TRX, spin class or martial arts. There’s a place for every level of activity, and you can learn new skills, stay fit and have fun while you’re doing it.

Facilities

The Centre for Athletics, Recreation and Special Abilities (CARSA) is UVic’s hub for training, recreation and learning. Our athletic facilities include:

- Indoor tennis courts
- Multi-sport field house
- Indoor sprint lanes and 400 m outdoor track
- 8 outdoor playing fields
- Ice rink
- Two-floor fitness and weight centre
- 16 m climbing wall and bouldering centre
- Indoor 25 m pool
- 2,100-seat performance gym
- Dance studio
- TRX and spin-class rooms
- Yoga studio
- 5 squash courts
- Rowing and ergonomic centre

Learn more at vikesrec.ca.
783 new residence rooms
Two brand new residence buildings and a new dining hall have been added to offer accommodation to more UVic students.
Room for you in residence

More than just a place to live, UVic residences offer you a wide variety of events and activities throughout the year to support your growth as a person and a student.

Are you eligible for the first-year residence guarantee?

If you’re graduating from high school in 2024, you’re eligible for the first-year residence guarantee. If not, you can apply for the undergraduate residence lottery. Learn more about UVic’s first-year residence guarantee at uvic.ca/residence.

When should you apply for residence?

The residence application opens on February 5 for students starting at UVic in September. You can apply for residence before you’ve received your admission decision. If you’re a current high school student, the deadline to apply for residence is May 1. If you’re not a current high school student, the deadline to apply for the undergraduate residence lottery is May 15.

(On-campus residence rates based on September to April 2023-24 rates. Rates are quoted in Canadian dollars.)
What do you want to study?

Want to see what your experience could look like in any program? Create your own UVic CustomViewbook at customviewbook.uvic.ca or scan the code on the opposite page.

If you don’t know which program you want to study, don’t worry! It’s common for students to spend their first year on campus exploring options across faculties before finding exactly where they fit. On your application, apply to the Faculty of Humanities, the Faculty of Science or the Faculty of Social Sciences. All students in these faculties are undeclared in their first year of study, and declare their major later.

Scholarships

Entrance scholarships

As a domestic or international high school student, you are automatically considered for entrance scholarships when you receive a conditional offer based on your in-progress grades submitted no later than March 15. For deadlines, see uvic.ca/entrancescholarships.

All Canadian citizens, permanent residents or international students completing a Canadian high school diploma who meet the minimum admission average of 90% are eligible for entrance scholarships.

UVic offers thousands of entrance scholarships every year. Special scholarships are available to:

- Women and Indigenous Engineering and Computer Science students with a minimum admission average of 85%
- Indigenous students with a minimum admission average of 85%
- International students completing an IB diploma in a high school outside of Canada with a minimum of 32 points.

If you meet more than one scholarship criteria, scholarships may be combined! Scholarship values change each year.

Specific criteria scholarships

UVic also offers many scholarships based on a combination of admission average and other criteria.

While you do not need to apply for entrance scholarships based on admission average only, you do need to apply for specific criteria scholarships.

Learn how and when to apply for scholarships at uvic.ca/entrancescholarships.
Invest in your future

Tuition and fees
Your UVic education is a valuable investment that will reward you throughout your life. No matter your financial situation, UVic offers opportunities to offset the cost of university through scholarships, bursaries, co-op, work study and more.

</tbody>
</table>

Plan your budget at uvic.ca/whatdoesitcost.

* Tuition, residence and student fees are based on September to April 2023-24 rates and are calculated on eight months of study (five courses per term except where noted). If you hold Canadian citizenship or are a permanent resident of Canada, you will pay Canadian tuition regardless of where you completed high school. Tuition figures are estimates. Final costs will be determined by your actual registration. Some programs have different tuitions. Please see the tuition and fees schedule at uvic.ca/whatdoesitcost for details. These are only basic budgeting items and do not include additional funds for travel, recreation, clothing and pocket money. All figures may be subject to change. All figures in Canadian dollars.

If you are from a region not listed here, see [uvic.ca/programs](http://uvic.ca/programs). Grade 11 courses are listed in **black**; grade 12 courses are listed in **blue**; supplemental applications are listed in **red**.
## Admission requirements: Canada, USA and IB

### MUSIC & COMPUTER SCIENCE, VISUAL ARTS & COMPUTER SCIENCE (FACULTY OF FINE ARTS)
- **BC & YUKON**
  - Approved English 11
  - Pre-calculus 11
  - Two of approved science 11, approved language 11, or approved fine arts 11
  - Approved social studies 11 or 12
  - English Studies 12 or English First Peoples 12 with at least 67%
  - Pre-calculus 12 with at least 73%
  - Approved academic 12 course
  - One additional approved academic 12 or approved fine arts 12 course
  - Supplemental application

### KINESIOLOGY (FACULTY OF EDUCATION)
- **BC & YUKON**
  - Approved English 11
  - Pre-calculus 11
  - Chemistry 11
  - Physics 11
  - Approved social studies 11 or 12
  - English Studies 12 or English First Peoples 12 with at least 67%
  - Pre-calculus 12
  - Anatomy and Physiology 12
  - Chemistry 12 or Physics 12 (Physics 12 recommended)

### HEALTH INFORMATION SCIENCE (FACULTY OF HUMAN & SOCIAL DEVELOPMENT)
- **BC & YUKON**
  - Approved English 11
  - Foundations of Math 11 or Pre-calculus 11
  - Approved science 11
  - Approved social studies 11 or 12
  - English Studies 12 or English First Peoples 12 with at least 67%
  - Foundations of Math 12 or Pre-calculus 12
  - Two approved academic 12 courses

### ART HISTORY & VISUAL STUDIES, MUSIC (BA), WRITING
- **BC & YUKON**
  - Approved English 11
  - Three of Foundations of Math 11 or Pre-calculus 11, approved science 11, approved fine arts 11
  - Approved social studies 11 or 12
  - English Studies 12 or English First Peoples 12 with at least 67%
  - Two approved academic 12 courses
  - One additional approved academic 12 or approved fine arts 12 course

### INTERNATIONAL BACCALAUREATE
- **FULL DIPLOMA**
  - Canada: 85% IB diploma score 30
  - USA: 3.40 GPA
  - Canada, USA and IB

**BC & YUKON**:
- Approved English 11
- Pre-calculus 11
- Two of approved science 11, approved language 11, or approved fine arts 11
- Approved social studies 11 or 12
- English Studies 12 or English First Peoples 12 with at least 67%
- Pre-calculus 12 with at least 73%
- Approved academic 12 course
- One additional approved academic 12 or approved fine arts 12 course
- Supplemental application

**ALBERTA, NORTHWEST TERRITORIES & NUNAVUT**:
- English Language Arts 20-1
- Mathematics 20-1
- Two of approved science 20, approved second language 20, or approved fine arts 20
- Approved social studies 20
- English Language Arts 30-1 with at least 67%
- Mathematics 30-1 with at least 73%
- Approved academic 30/31 course
- One additional approved academic 30/31 or approved fine arts 30 course
- Supplemental application

**ONTARIO**:
- English 4U with at least 67%
- Advanced Functions 4U with at least 73%
- Four additional 4U/M courses
- Supplemental application

**USA & AP**:
- 4 English courses including senior-level English with at least 67%
- 4 math courses including pre-calculus with at least 67%
- 2 science courses
- 3 social studies courses
- 3 language courses or 1 language course and 1 fine arts course
- Supplemental application

**INTERNATIONAL BACCALAUREATE**:
- Full diploma with three or more HL subjects including:
  - English at the HL/SL level with a score of at least 3
  - Math at the HL/SL level with a score of at least 4**
  - Supplemental application

*Annual cut-offs vary by program based on capacity. The actual admission average cut-offs and individual course grade requirements change on an annual basis. All GPA values are cumulative unweighted and all IB scores exclude additional points. **See uvic.ca/programs for specific IB math requirements.

Transfer credit

UVic recognizes your academic success with one of the most generous transfer credit programs in Canada—putting you one step closer to your post-secondary goals before you even get here.

International Baccalaureate (IB)
If you complete the full IB diploma with minimum subject scores, you will earn up to one year of transfer credit. If you aren’t completing a full IB diploma, but are admissible based on another curriculum, your points can still count. We offer course-by-course transfer credit assessment for each Higher Level course completed with the minimum score (typically 4 or 5 depending on the course).

Advanced Placement (AP)
We offer course-by-course transfer credit assessment for each Advanced Placement exam completed with the minimum grade (typically 4 or 5 depending on the course). The most up-to-date information on how IB and AP courses transfer is available in the BC Transfer Guide at bctransferguide.ca.

All students
If you have completed any post-secondary courses, you are eligible to be assessed for transfer credit. Submit your transcripts and we will determine transfer credit on a course-by-course basis.
English language proficiency requirement

All applicants must meet UVic’s English Language Proficiency Requirement. There are several ways you can satisfy this requirement, including:

- Four years of full-time secondary and/or post-secondary academic studies within Canada or another approved country in which all instruction is in English.
- Completion of Grade 12 English or its equivalent in Canada with a final grade of 86% or higher within the last three years prior to admission.
- Score of 4 or higher on IB Higher Level English A.
- Score of 4 or higher on the Advanced Placement English Language and Composition Exam.
- British curriculum: minimum C in A-Level English.
- Sufficient score on an approved language-proficiency test (see below).

If you meet the English Language Proficiency Requirement, you can apply for regular admission.

Learn about conditional admission at [uvic.ca/enpr](http://uvic.ca/enpr). Learn about UVic’s Pathway Program at [uvic.ca/pathway](http://uvic.ca/pathway).
How to apply

Once you’ve set up your Education Planner BC profile, your UVic application should take about 10 minutes to complete and submit unless your program requires supplemental information such as a portfolio, essay or an audition.

1. Review admission requirements

Find out what is required for admission to your program. See pages 18 to 25 or visit uvic.ca/programs.

2. Submit your application

1. Start your application as early as possible. You can save it and submit it by the deadline. uvic.ca/apply
2. Add @uvic.ca to your safe-senders list to ensure that you receive emails from UVic.
3. Prepare your supplemental application (if required) and submit it by your program's supplemental application deadline. Some programs require you to upload your supplemental information at the time of application. uvic.ca/programs
4. Submit your application and pay the application fee online by credit card.
5. Receive a confirmation email with your UVic student number.

3. Check your application status

You can check your application status after your UVic admission assistant sends you an introductory email with further instructions about how to access the UVic application portal.

4. Submit your interim grades

- If you’re a student in the BC curriculum, you must order your transcript through StudentTranscripts Service (STS) at the Ministry of Education website as soon as you apply. Choose the default option that allows updates for one year.
- If you’re studying at a high school in Canada other than in BC, or at a Canadian-curriculum high school outside of Canada, you must self-report your interim grades or predicted IB scores via the link on your checklist in the UVic application portal.
- If you’re studying at an international high school, you can upload your in-progress transcript showing your grades and/or predicted marks via the link on your checklist in the UVic application portal. Instructions will be provided when you apply.
- If you’re a high school graduate, arrange to have your official transcript sent directly to UVic. uvic.ca/finalgrades

5. Accept your admission offer

1. Follow the instructions in your admission offer email. You must also submit your acceptance deposit by the deadline specified. The acceptance deposit is non-refundable, but will be credited toward your tuition fees.
2. After five business days have passed, confirm that UVic has received your acceptance deposit by logging into your online tools and viewing your account balance. Some international bank transfers may take longer to process. uvic.ca/accountsummary
3. Send an official transcript with your final grades plus any other requested documents by the deadline specified in your admission offer. uvic.ca/finalgrades
   - If you’re a current BC high school student, we will obtain your final grades automatically as long as you keep the default one-year authorization date when you order your transcript through StudentTranscripts Service (STS).
   - If you’re a current Ontario high school student, you do not need to send official transcripts if you provide your OUAC number when you submit your application.
Dates and deadlines

Application timeline

- **January 31**
  All applicants
  Deadline to apply for Fall 2024 entry. [uvic.ca/apply](http://uvic.ca/apply)
