_________________________________________________________________

Don’t forget to remind your team to collect pledges among their colleagues and friends for the United Way. There are prizes and a trophy for the team raising the most pledges! All pledge forms and money must be brought to the race.

Make sure to invite your team fan club to come out and cheer for you! Raffle tickets for prizes will be sold to spectators on site.

About Plasma Cars: The PlasmaCar is a mechanical marvel that harnesses the natural forces of inertia, centrifugal force, gravity and friction. They can handle a load of 100 kg (220 lbs) on a smooth, flat surface and are so easy to operate that all you do is turn the wheel and put your feet up.

For further information, please contact Genny Sneddon at gsneddon@uvic.ca or Kathy Khouri at kkhouri@uvic.ca.
