

Anne Desgagné is completing her 1st Year as a Graduate Student in the Master of Business Administration in Sustainable Innovation program at UVic's Gustavson School of Business. Anne previously completed her Bachelor of Arts in Translation at the University of Ottawa. Outside of the MBA program, Anne continues to serve in the Royal Canadian Navy, having worked in a variety of roles, more recently focusing on the Navy's Culture Change efforts. Her varied work experiences, combined with the curriculum of the MBA, enables her to bring unique perspectives on management and accountability. As the Graduate Student Representative on the Board of Governors, she will bring a professional student perspective to the management, administration and control of the property, revenue, business, and affairs of UVic.
