

Doug Stuart

I am an Assistant Teaching Professor in Accounting at the Peter B. Gustavson School of Business, where I have taught since January 2018. I have delivered a wide range of courses across the Business Minor, Bachelor of Commerce, and Master of Global Business programs, including Management Finance, Taxation for Managers, Financial Accounting, Management Accounting, Organizational Behaviour, and North American Business Context. I also taught at Camosun College.

I hold the Chartered Professional Accountant designation, having earned my Chartered Accountant designation while articling with KPMG LLP in both Vancouver and Victoria. My professional background spans public practice and industry, including financial reporting experience at BC Transit. I have published numerous practitioner-focused articles in *Tax for the Owner-Manager*, *The Conversation Canada* and *CPABC In Focus*.

My service at Gustavson includes membership on faculty search committees, the Salary Review Committee, and the Unit Standards Committee. I also co-led the RBC Case Competition for several years during the COVID-19 pandemic. These experiences have strengthened my belief that collaborative, fair, open, and transparent governance is essential to advancing our school's strategic objectives.

I am currently pursuing a Doctor of Business Administration at the University of Calgary, reflecting my commitment to lifelong learning and the value I place on higher education.

If elected to the Dean Appointment Committee, I will bring a commitment to transparency, inclusivity, and the thoughtful representation of our faculty's diverse perspectives. I will evaluate candidates' ability to advance Gustavson's values of integration, innovation, regeneration, and inclusion.

I would be honoured to contribute to the selection of a Dean who will lead our school with vision, integrity, and a dedication to fostering an environment where students, staff, and faculty can thrive.
