

Dr. Erin J. Campbell, Professor
Art History & Visual Studies

Throughout my career at UVic, I have been passionate about the collegial processes of university governance. I hold a PhD in Art History from the University of Toronto and am Professor of Early Modern European Art in the Department of Art History & Visual Studies. I have won awards for teaching and research and received significant support from SSHRC. Over the course of my 20-year career at UVic, I have served on numerous councils and committees, and held key leadership roles, including AHVS Chair and Graduate Advisor. I have used these opportunities to deepen my understanding of how budgets, policies, and processes have an impact on the lives of faculty, students, and staff. I am currently the Vice-President of the Faculty Association. My work with the Faculty Association has been fundamental to shaping my approach to collegial governance and sensitizing me to issues of equity and accessibility. My service on the Senate Committee on Learning and Teaching has kept me in the forefront of changes to teaching and learning across campus. I was elected to Senate as Member at Large in 2020 and I am seeking re-election for a second term. It would be an honour to continue my advocacy for faculty members across campus during what promises to be a period of rapid change.
