

Biographical Sketch/Election Platform: *Liam Peta*, UVic Senate Nomination

Liam has extensive work and volunteer experience in various dynamic sectors, such as in; two public hospitals, a public school, and a local legislative electoral office. As a current student of Economics, his interests and studies are akin to those beneficial for Student Representatives to the Senate. Liam's goals are to see the University of Victoria sustainably transform the future, and to inspire those who seek knowledge. Liam's passion of service to the community, and helping others, is the reason why he seeks election to the Senate.
