

**RESPONDING TO
THE DEATH OF A STUDENT**

University Policy No.: AC1215
Approval Authority: Vice-President Academic and Provost
Effective Date: May, 2012
Supersedes: August, 2004
Last Editorial Change:
Mandated Review: May, 2019

Associated Procedures:

[Procedures for Responding to the Death of a Current Student](#)
[Appendix 'A' - Unit Activities after the Confirmed Death of a Current Student](#)
[Procedures for Responding to the Death of a Former Student](#)

PURPOSE

- 1.00 The purpose of this policy is to:
- set out administrative responsibilities in the event of a death of a student;
 - ensure rapid, effective communication and follow-up to a student death; and
 - ensure that the response to a student-death is timely and sensitive to the circumstances.

DEFINITIONS

For the purposes of this policy:

- 2.00 **Unit** includes the university's faculties, departments, divisions, schools, programs, institutes, offices, libraries and research centres.

SCOPE

- 3.00 This policy applies to the university's administrative response to the death of a student who is currently registered in any course or program offered by the university. Refer to the [Procedures for Responding to the Death of a Former Student](#) for guidance on the administrative response to the death of a non-active student.

- 3.01 This policy does not address the university's response to emergencies or provide emergency management practices.

POLICYGuiding Values

- 4.00 The university is committed to responding to the death of a student member of the university community in a compassionate and respectful manner that is appropriate based on the circumstances of the student's death.
- 5.00 The university's response to the death of a student will be guided by the following:

- (a) Respect, sensitivity and compassion - the university will act and respond in a highly sensitive manner out of respect for the deceased and in accordance with the wishes of the family or next-of-kin. Care will be extended to the family or next-of-kin, the students, faculty and staff members most closely involved with the student prior to the student's death and individuals who may have been with the student when the death occurred.
- (b) Privacy - Notifications must be made to a number of Units to enable necessary administrative actions to be undertaken in a timely manner. Faculty and staff shall use discretion in the use, access and disclosure of information related to the student and the student's death. Any information provided will be verified for accuracy and considered carefully before being conveyed to the university community, media, family or next-of-kin. Use, access and disclosure of personal information shall be in accordance with the *Freedom of Information and Protection of Privacy Act* and the university's Protection of Privacy policy (GV0235).
- (c) Clear and timely communication - the location, time, and circumstances of the death may influence communications and appropriate response processes. In order to minimize the amount of distress to the family or next-of-kin, efforts will be made to minimize the number of interactions and to obtain administrative closure in a timely and efficient manner.
- (d) Cooperation - Units will work together and with external officials to obtain administrative closure in a timely and efficient manner.
- 6.00 When a university community member becomes aware of the death of a current student they shall immediately notify Campus Security Services and the Office of the Associate Vice-President Student Affairs.
- 7.00 The Associate Vice-President Student Affairs (or designate) is responsible for coordinating the university's administrative response to the death of a student including mobilizing and leading the Response Team as set out in the [Procedures for Responding to the Death of a Current Student](#).
- 8.00 The administrative response to a student's death shall be conducted in accordance with the:
- [Procedures for Responding to the Death of a Current Student](#);
 - [Appendix 'A' - Unit Activities after the Confirmed Death of a Current Student](#); and
 - [Procedures for Responding to the Death of a Former Student](#).

 - (l) Director of Athletics and Recreation (in the case of a student athlete);
 - (m) Director of International Affairs (in the case of a death of an international student or a University of Victoria student studying outside of Canada).
- 6.00 The Response Team will:
- 6.01 designate an individual to liaise with the police, hospital, British Columbia Coroners Service, and other external parties as required;
 - 6.02 as necessary, communicate with the university community in a timely manner to address any issues regarding safety or threat of harm to university community members;
 - 6.03 identify an individual who will be the university's primary contact for the family or next-of-kin going forward on any outstanding communications or issues;
 - 6.04 determine the appropriate manner for communicating with the student's immediate family or next-of-kin;
 - 6.05 determine, in consultation with the family or next-of-kin, the individual(s) who will be the primary contact(s) on the family or next-of-kin's behalf;

- 6.06 identify an individual that will respond to media requests (as necessary) while ensuring that this individual liaises with University Communication Services and the family or next-of-kin prior to the release of information to the media;
- 6.07 ensure that any broad communication messaging has been vetted by the family or next-of-kin prior to release;
- 6.08 provide guidance to Units to perform administrative tasks that are appropriate to the circumstances of the death;
- 6.09 ensure that other Units are notified with current and accurate information and that the information being used or disclosed is in accordance with the university's Protection or Privacy policy (GV0235) and procedures;
- 6.10 provide advice and support to Units with regard to the performance of their responsibilities as set out in [Appendix 'A'](#);
- 6.11 determine if the student was an international visa student or if the student was studying outside of Canada at the time of death;
- 6.12 collect documentation on the administrative response to the student's death to retain in the Office of the Associate Vice-President Student Affairs for records management purposes;
- 6.13 determine if any memorial service arrangement is to be held on campus and any other arrangements that may be appropriate or meaningful to the family or next-of-kin;
- 6.14 facilitate arrangements for the provision of appropriate access to grief and crisis counselling services and supports for students, faculty and staff;
- 6.15 notify the heads of the Unit's set out in Appendix 'A', as appropriate on a need to know basis, in order to verify that necessary follow-up actions are being completed;
- 6.16 arrange for any billing processes or correspondence to be stopped with the deceased student;
- 6.17 in the case of a graduate student, determine a process for the notification of any external funding agency;
- 6.18 where appropriate, liaise with the family or next-of-kin and the President's office regarding any arrangements for the University of Victoria House Flag to be flown at half-mast in accordance with the university Flag Display policy (AD2300);
- 6.19 where applicable, liaise with the appropriate faculty to provide a recommendation to the Senate Committee on Academic Standards regarding the awarding of a posthumous degree in accordance with Senate's guidelines; and

- 6.20 conduct an evaluation of the administrative response to the student death and make recommendations as necessary to the pertinent areas related to the modification of policies, procedures or response processes.

Memorial Service

- 7.00 Upon request from the student's family or next-of-kin, a memorial service will be held at the university free of charge.

Records

- 8.00 Records related to the administrative response to the student's death shall be marked as confidential and managed in accordance with applicable legislation and the university's Protection of Privacy (GV0235) and Records Management (IM7800) policies and their associated procedures.
-
