UVic aspires to be both nationally and internationally competitive in recruiting and retaining students of the highest calibre. Our ability to offer a more competitive undergraduate scholarship program supports the UVic Strategic Framework vision of attracting, supporting, and developing a diverse community of talented students, faculty and staff, as well as being recognized internationally as a university of choice. Through involvement in the Strategic Enrolment Management process, Student Awards and Financial Aid continues to work to better align our student financial aid resources with institutional enrolment goals.

In 2018/19 and 2019/20 Integrated Planning approved additional funding for the undergraduate scholarship program, which allowed UVic to increase the value of the one-time undergraduate entrance scholarships. The impact of those increases is reflected in the total value of scholarships detailed in this report.

The Senate Committee on Awards wishes to acknowledge the University's ongoing commitment to undergraduate financial aid programs.
