UVic aspires to be both nationally and internationally competitive in recruiting and retaining students of the highest caliber. Our ability to offer a more competitive undergraduate scholarship program supports the UVic Strategic Framework vision of attracting, supporting, and developing a diverse community of talented students, faculty and staff, as well as being recognized internationally as a university of choice. Through involvement in the Strategic Enrolment Management process, Student Awards and Financial Aid continues to work to better align our student financial aid resources with institutional enrolment goals.
