

*Hello, Bonjour, Shé:kon!* My name is Nathaniel, and I am a 3rd Year student in the Faculty of Law's JD/JID program and I'm hoping to bring some new ideas and perspectives to the Senate. I hope to bring my experience as a JD/JID Representative on the *Law Students Society* and the *Faculty of Law Curriculum Committee* to the Senate Curriculum Committee regarding current and new course offerings, cross-faculty courses, how students are evaluated in certain courses, and what experiential courses are offered in coming years.
