Re: Call for Nominations: Honorary Degrees at the University of Victoria

We invite you to consider nominating an individual you believe to be a worthy recipient of an honorary degree from the University of Victoria. These degrees offer the university an opportunity to recognize and celebrate individuals who have made remarkable contributions to society and reflect the values we uphold as a scholarly community.

Recent honourees include Robert Amos (DFA, November 2025), Maureen Maloney (LLD, November 2025), the Honorable Janet Austin (LLD, June 2025), Christopher Richard Barnes (DSc, June 2025), Simon Keith (LLD, June 2025), whose accomplishments span a wide range of fields and reflect excellence in leadership, service, scholarship, and impact.

The Senate Committee on Honorary Degrees and Other Forms of Recognition warmly welcomes your suggestions of candidates who embody exceptional achievement. While nominations are welcome from all geographic regions and nationalities, we especially encourage consideration of individuals with a meaningful connection to British Columbia or to the University of Victoria. The committee is committed to ensuring a diversity of voices and backgrounds among honorees, and we strongly encourage nominations that reflect this commitment. The deadline for submission of nominations for consideration at the next meeting of the Senate Committee on Honorary Degrees and Other Forms of Recognition is **March 20, 2026**.
