4. REMARKS FROM THE CHAIR

a. President’s Report

Prof. Cassels welcomed new members to Senate, Dr. Peter Loock, Dean of Science, and Dr. Allana Lindgren, Acting Dean of Fine Arts. He also noted Executive changes with the Vice-President External Relations, Ms. Carmen Charette, leaving at the end of January and the new Vice-President, Mr. Chris Horbachewski, to begin February 1, 2020.

Prof. Cassels recalled his comments from the December Senate meeting and the work of the Board of Governors regarding responsible investment options under consideration for the short term investment
policy. Climate issues are at the forefront of the decision-making, and it is a hope that a decision can be made at the end of the January Board meeting.

In regards to climate change issues, Prof. Cassels mentioned investment was one element for the university to harness its capacity to contribute to climate change. He reminded members of the Strategic Framework (Strategy 5.2) to review and renew our approach to sustainability in every domain. This work would move the institution toward a comprehensive and integrated approach and that we would be taking steps to activate that campus-wide with a Climate and Sustainable Action Plan. He stated it was important to recognize the extraordinary work done to make contributions to climate solutions and the need to knit these efforts together for a more coordinated impact.

Finally, Prof. Cassels reminded members of the Presidential Service Award, which was now open for nominations. He recognized the accomplishments of Dr. Lorna Williams, who received the Office of the Order of Canada for her work in language revitalization and student Senator Rory Hills, who has accepted a Rhodes scholarship position.
