

# Strategic Framework Experiential Learning Fund (SF-ELF)

## Travel awards for practicum placements outside Victoria

---

UVic is committed to increasing opportunities for students to participate in practica outside the greater Victoria area (Canadian and international locations). Funding is available to support students in academic units **requiring practicum placements** (i.e., Education, Child and Youth Care, Nursing, Public Health and Social Policy, Social Work and Clinical Psychology) who have to relocate for practicum placements outside Victoria. Students in distance or online programs or programs based at one of our partner institutions outside Victoria may also be eligible for travel awards provided they have to relocate outside their home communities for practica.

Applications are adjudicated by a panel convened by the Associate Vice-President Academic Programs. Recommended stipends are up to \$1,000 per domestic placement and up to \$3,000 per international placement.

### Eligibility requirements

- Applicants must be registered in a credited practicum course that is required to complete their degree.

- Applicants must not live in (or have as their primary residence) the location of the practicum placement.
